**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your Credit Card Contract and on the back of your Statement.
Fee Definitions (Account Opening Disclosures)

Processing Fee: We require a one-time up front Processing Fee of $95.00 to be paid before the Credit Account is opened to offset the risk associated with the Credit Account. If the Processing Fee is not paid in full within 90 days, your Credit Account will not be opened. Refer to the Refund Disclosure for additional information.

Available Credit Limitations: Once the entire Processing Fee has been paid in full your Credit Account will be opened and you will have access to your initial available credit.

FEES AND INTEREST CHARGES: The amount of required fees assessed on your Credit Account during the first year after account opening will not be more than 25% of your initial Credit Limit. Your Credit Account is subject to the following fees and INTEREST CHARGES, each of which will be billed to your Credit Account as a Purchase.

Periodic INTEREST CHARGES: INTEREST CHARGES are imposed when you obtain a Cash Advance and when a Purchase is posted to your Credit Account.

INTEREST CHARGES are imposed from the time a Purchase is posted until it is paid in full. However if you pay your previous balance in full on or before the closing date of each billing cycle, you will have a grace period on Purchases of at least 27 days from the start of each billing cycle and your current Purchases will not be subject to periodic INTEREST CHARGES to the extent you pay the current Statement balance in full on or before the Closing Date of the Billing Cycle. There is no grace period for transactions that post to your Credit Account as Cash Advances. These transactions are subject to INTEREST CHARGES from the date of the transaction.

Computing Periodic INTEREST CHARGES: The INTEREST CHARGE is determined by multiplying the "Average Daily Balance" for Purchases and for Cash Advances outstanding during the monthly Billing Cycle by the monthly "Periodic Rate". The monthly Periodic Rate for Purchases and for Cash Advances is determined by dividing the ANNUAL PERCENTAGE RATE (APR) by 12. The monthly "Periodic Rate" for Purchases is 3.000% and for Cash Advances is 3.000%. This is equivalent to an ANNUAL PERCENTAGE RATE of 36.0% for Purchases and 36.0% on Cash Advances. This ANNUAL PERCENTAGE RATE will be applied to fees assessed to your Credit Account as well as Purchases and Cash Advances.

Minimum INTEREST CHARGE: The minimum INTEREST CHARGE is $1.00 for each Billing Cycle during which an INTEREST CHARGE based on a periodic rate is imposed. During the first 12 months your Credit Account is open, any interest assessed on the Credit Account will be equal to the actual accrued interest.

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance of your Credit Account on each day, calculated separately for Purchases and Cash Advances, adding new Purchases and/or Cash Advances and subtracting any payments or credits to get each day’s daily balance. The daily balances are then added together and divided by the number of days in the Billing Cycle to get the Average Daily Balance.

Annual Fee: We impose an Annual Fee on your Credit Account of $39.00 for the first year and $39.00 for each subsequent year. The Annual Fee will be charged once the Credit Account is opened, and in about the same Billing Cycle of each following year. Refer to the Refund Disclosure for additional information.

Monthly Servicing Fee: Your Credit Account will be charged a Monthly Servicing Fee of $5.00 per month ($60.00 annually) the first year (introductory) your Credit Account is open and $8.50 per month ($102.00 annually) each month thereafter. This fee will be billed until your account is closed and the balance is $20.00 or less. Refer to the Refund Disclosure for additional information.

Cash Advance Fee: In addition to the periodic INTEREST CHARGES on Cash Advances, there is an additional fee of $6.00 or 5% of the amount of each Cash Advance, whichever is greater.

Foreign Currency Transaction Fee: 3% of each transaction amount in US dollars.

Late Fee: If in each Billing Cycle in which your payment is late, you will be charged a Late Fee up to $35.00.

Return Item Charge: We impose a Return Item Charge up to $35.00 when a payment on your Credit Account is returned by the financial institution on which it was drawn for insufficient funds or any other reason. The charge may be imposed even if we elect to re-present the item and it is paid upon our re-presentation.

Additional Card Fee: If you authorize us to issue an additional Card on the Credit Account there is an Additional Card Fee of $29.00 imposed annually for each additional Card.

Credit Limit Increase Fee: Each time your Credit Account is eligible for and approved for an unsecured credit limit increase, a Credit Limit Increase Fee in the amount of 25% of the amount of the credit limit increase will be assessed to your Credit Account. For example: If approved for a $100.00 credit limit increase, a $25.00 Credit Limit Increase Fee will be assessed to your Credit Account, which will result in an additional available credit of $75.00 on your Credit Account. This fee is automatically assessed upon approval of your credit limit increase, which could be as soon as your Credit Account has been open for 13 months. Refer to the Refund Disclosure for additional information.

Credit Insurance: Disability and loss of income insurance is not required.

Copying Fee: If you request a duplicate of any sales draft, Statement, or other document, we will charge you $3.00 for each copy we provide.

Express Delivery Fee: We impose a $35.00 fee for the express delivery of your Card. This service is only available for lost, stolen, or replacement cards.

Wire Transfer Fee: $5.00 per transaction.

Minimum Payment: Cutoff Time and Form of Payment: Each month that a New Balance is due, you must pay us at least the Minimum Payment and Past Due Amount as shown on your Statement. We must receive your payment on or before the Payment Due Date shown on your Statement. Payment(s) received in Proper Form, will be credited as of the date of receipt at the address on the payment coupon of your Statement if received by 5:00 pm Eastern Time. Monday through Friday (federal holidays excluded). Payments not received in Proper Form may delay the posting to your Credit Account. The Payment Due Date will be at least 27 days from the Closing Date. Your Payment Due Date will be the same numeric date each month.

If your New Balance exceeds $30.00, the Total Minimum Amount Due will be the sum of (i) the Minimum Payment which is either 7% of your New Balance at the end of the Billing Cycle rounded up to the next dollar, or $30.00 (whichever is more), or the entire New Balance if the New Balance is less than $30.00, and (ii) any Past Due Amount. The amount requested as the Total Minimum Amount Due on your Statement will also include the amount by which the New Balance exceeds your credit limit. Failure to pay the Amount Over Limit Due as requested on your Statement will not, by itself, cause your Credit Account to be delinquent. You may pay your entire balance at any time.
