Liability for Unauthorized Use–Lost/Stolen Card Notification — You agree to notify us immediately in the event of the loss, theft or unauthorized use of your credit card. Contact us in writing at NASA Federal Credit Union, P.O. Box 1778, Bowie, Maryland 20717 1778 or by calling (301) 249 1800 or 1 888 NASA FCU, ext. 201 (during normal business hours) and 1 800 449 7728 after hours (TDD (301) 390 4521). You may be liable for the unauthorized use of your credit card. You will not be liable for unauthorized use that occurs after you notify us of the loss, theft, or possible unauthorized use, unless you are grossly negligent in the handling of your card. In any case, your liability will not exceed $50 for unauthorized cash advances at ATMs. You will have no liability for unauthorized purchases made with your credit card.

Credit Limit — When we approve your application, we will establish a self replenishing line of credit for you and notify you of its amount when we issue the card. Your credit limit line appears on your billing statements. You agree not to let the account balance exceed this approved credit limit. Each payment you make on the account will restore your credit limit by the amount of the payment which is applied to principal. You may request an increase in your credit limit only by application to us, which must be approved by our loan committee or loan officer. Without prior notice to you, we may raise your credit limit. By giving you written notice our loan committee or loan officer with good cause, may reduce your credit limit or revoke your card and terminate this agreement. Good cause includes, but is not limited to your failure to comply with this agreement, or our adverse re evaluation of your creditworthiness. On the card anniversary date or at re issue, your membership must be in good standing. If any obligation to which you are a party with the credit union is in default, a new card may not be sent to you. This constitutes a termination of your credit line. You may also terminate this agreement at any time, but termination by either of us does not affect your obligation to pay the account balance plus any finance and other charges you owe under this agreement. The cards remain our property and you must recover and surrender to us all cards upon request and upon termination of this agreement. Convenience checks are no longer valid if the account has been suspended or terminated.

Monthly Payment — We will mail you a statement every month showing your previous balances of purchases and cash advances, the current transactions on your account, the remaining credit available under your credit limit, the new balances of purchases and cash advances, the total new balance, the finance charge due to date, photocopy and other billed fees, and the minimum payment required. Every month you must pay at least the minimum payment within 25 days of your statement closing date. The minimum monthly payment is 3% of your total new balance, or $25, whichever is greater. By separate agreement you may authorize us to charge the minimum payment automatically to your share or share draft account with us. You may, of course, pay more frequently, pay more than the minimum payment, or pay the total new balance in full, and you will reduce the finance charge by doing so. At any time your total new balance exceeds your credit limit, you must immediately pay the excess upon our demand. Payments made to your account will be applied in the following order: Fees and Finance Charges; Previously Billed Purchases; Cash Advances; New Purchases. We may accept checks marked "payment in full" or with words of similar effect without losing any of our rights to collect the full balance of your account with us.

Finance Charge — You can avoid finance charge on purchases by paying the full amount of the new balance of purchases each month within 25 days of your statement closing date. Otherwise, the new balance of purchases, and subsequent purchases from date they are posted to your account, will be subject to finance charge (interest). Cash advances are always subject to finance charge from the transaction date. The finance charge (interest) is calculated on the average daily principal balance. The principal balances of purchases and cash advances are determined each day during the statement period, beginning with the principal portion of your previous balances, reduced by payments you make and credits we apply, and increased by purchases and cash advances you make and debit adjustments we make during the statement period. The daily principal balances are totaled, and divided by the number of days in the statement period, to produce separate average daily principal balances for purchases and cash advances to which the periodic rate is then applied.

The Monthly Periodic Rates and corresponding Annual Percentage Rates are disclosed on the application.

Balance Transfer Transactions — We may in our sole discretion make balance transfer offers to you or allow balance transfer transactions on your account in the future. We may in our sole discretion permit you to transfer balances from other accounts or loans with other credit card issuers or other lenders to this account, or other balance transfers we may allow. If a portion of a requested balance transfer will exceed your available credit access line for balance transfers, we may process a partial balance transfer up to your available credit access line for balance transfers.

Transaction Fee for Cash Advances — For each cash advance, we add an additional CHARGE of 3% of the advanced amount but not less than $5.00. This fee will be added to the cash advance balance. (The amount of the cash advance may include a surcharge that the owner of an ATM imposes). The cash transaction fee may cause the annual percentage rate on the billing statement on which the cash advance first appears to exceed the nominal annual percentage rate.

Default — You will be in default if you fail to make any minimum payment within 5 days after your due date and may be charged a late fee. You will also be in default if your ability to repay us is materially reduced by a change in your employment, an increase in your obligations, bankruptcy or insolvency proceedings involving you, your death or if the value of our security interest materially declines. You will be in default if you fail to abide by this agreement or you make any false or misleading statements in any credit application or update of credit information. If you are in default, we have the right to suspend or terminate your credit line (See Credit Limit). We have the right to demand immediate payment of your full account balance if you default, subject to our giving you any notice required by law. To the extent permitted by law you will also be required to pay our collection expenses, including court costs and reasonable attorneys' fees plus any fees incurred as a result of bankruptcy.

Default Rates — We will impose the default APR on your account if you are in default under any other agreement for any other account or loan with us, such as you fail to make a payment when due.

Penalty Rates — A penalty rate will be imposed for all balances if you are sixty (60) or more days late in making a payment. Your non penalty rate may be re established if you make subsequent on time payments for six (6) consecutive months.

Variable Rates — One or more APRs that apply to your account may vary with changes to the Prime Rate. When you have an APR that varies with changes to the Prime Rate, we calculate the APR by adding a margin to the Prime Rate published in The Wall Street Journal. The "Prime Rate" is the highest (U.S.) Prime Rate published in the Money Rates section of the The Wall Street Journal. The Prime Rate is merely a pricing index. It is not the lowest or the best interest rate available to a borrower at any particular bank at any given time. If The Wall Street Journal stops publishing the Prime Rate, we will select a similar reference rate and inform you on your billing statement or through a separate notice. A "margin" is the percentage we add to the Prime Rate to calculate the APR. A "business day" is any day that is not a weekend or federal holiday. The Rates and Fees Table shows which rates, if any, are variable rates. It also lists the margin for each variable rate and any minimum daily periodic rate and corresponding APR. We then add the applicable margin to that Prime Rate to get the APR. The daily periodic rate is calculated as described above. If our calculation results in a change to a daily periodic rate from the previous billing cycle because the Prime Rate has changed, the new rate will apply as of the first day of your billing cycle that ends in the calendar month in which we made the calculation. If the daily periodic rate increases, you will have to pay a higher periodic finance charge and may have to pay a higher minimum payment.

Using The Card — To make a purchase or cash advance, there are two alternative procedures to be followed. One is for you to present the card to a participating VISA plan merchant, to us or to another financial institution, and sign the sales or cash advance draft which will be imprinted with your card. The other is to complete the transaction by using your Personal Identification Number (PIN) in conjunction with the card in an Automated Teller Machine or other type of electronic terminal that provides access to the VISA system. The monthly statement will identify the merchant, electronic terminal or financial institution at which transactions were made, but sales, cash advance, credit or other slips cannot be returned with the statement. You will retain the copy of such slips furnished at the time of the transaction in order to verify the monthly statement. The Credit Union may make a reasonable charge for photocopies of slips you may request. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction.

Illegal Transactions Prohibited — You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law.

Returns and Adjustments — Merchants and others who honor the card may give credit for returns or adjustments, and they will do so by sending us a credit slip which we will post to your account. If your credits and payments exceed what you owe us, we will hold and apply this credit balance against future purchases and cash advances, or if it is $1.00 or more, refund it on your written request or automatically within six months.

Foreign Transactions — Purchases and cash advances made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable central processing date. This may vary from the rate Visa itself receives or the government mandated rate in effect for the applicable central processing date in each instance plus an additional 1%. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

A fee of 1% of the amount of the transaction, calculated in U.S. dollars, will be imposed on all foreign transactions, including purchases, cash advances and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the U.S., with exceptions of U.S. military bases, U.S. territories, U.S. embassies and U.S. consulates.

Plan Merchant Disputes — We are not responsible for the refusal of any plan merchant or financial institution to honor your card. We are subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the card only if you have made a good faith attempt, but have been unable to obtain satisfaction from the plan merchant, and (a) your purchase was made in response to an advertisement we sent or participated in sending you; or (b) your purchase cost more than $50.00 and was made from a plan merchant in your state or within 100 miles of your home. Any other disputes you must resolve directly with the plan merchant.

Security Interest — To secure your account, you grant us a purchase money security interest under the Uniform Commercial Code in any goods you purchase through the account. If you default, we will have the right to recover any of these goods which have not been paid for through our application of your payments in the manner described under the paragraph "Monthly Payment" as provided in this agreement.

As a condition for your VISA account you grant us a specific pledge of your Credit Union shares (deposits). You pledge to us and grant a security interest in all joint and individual accounts you have with us now and in the future, to secure your VISA credit card account. You authorize us to apply the balance in these account(s) to pay any amounts due under this agreement if you should default.

Your account will also be secured by your pledged shares (deposits) and by the property described in any other security agreements signed with us, except for your home.

Effect of Agreement — This Agreement is the contract which applies to all transactions on your account even though the sales, cash advance, credit or other slips you sign or receive may contain different terms. We may amend this Agreement from time to time by sending you the advance written notice required by law. Your use of the card thereafter will indicate your agreement to the Amendments. To the extent the law permits, and we indicate in our notice, Amendments will apply to your existing account balance as well as to future transactions.

Special Promotions — From time to time, we may offer special promotions, under which purchases of goods or services, balance transfers or cash advances transactions may be billed to your account with special promotional terms. The finance charges, minimum payment, application on payments and other terms for special promotions may differ from the standard terms described in this Agreement and as may be shown on your account statement.

CU*Rewards* Program for Platinum Cards: There is no annual fee to participate in the program. The following rules apply only to the program as offered to NASA Federal Credit Union Reward cardholders.

Every dollar in qualifying purchases (net of returns) that "participants" charge to their credit card account eligible in this rewards program ("program") earns participants one point as provided for in these rules. No points are earned for finance charges, fees, cash advances, convenience checks, foreign transaction currency conversion charges or insurance charges posted to their account. Charges or transactions may be added to, or removed from, the above lists of eligible charges and transactions from time to time at the sole discretion of the program provider. Any questions as to what constitutes an eligible charge shall be resolved at the sole discretion of the program provider. Points for this program begin to accumulate with purchases participants make beginning on the first day of the billing cycle in which their program begins and ending on the last day of the last billing cycle of the announced duration of their program. Points earned from net purchases and point adjustments made between billing cycles will be deemed as earned after being posted to participant's next monthly card statement.

Points can be used to order the gift/travel awards described in the current brochure or on the program's website. Participants may select gift/travel awards from any level, subject to availability, as long as participant has the necessary number of points posted to their account as of their previous month's account statement. Point requirements assigned to any award are subject to change from time to time without notice, and gift/travel awards may be substituted at any time.

Points have no cash value. Points in this program cannot be exchanged for cash or credit, cannot be combined with cash to obtain gift/travel awards, cannot be earned from or transferred to or combined with any other credit card account's points for redemption. The participant's periodic statement will normally include the number of points earned subject to adjustment as provided for in these rules. Points will be deducted from the total points available for redemption for any returns or credits reflected on the credit card account billing statement. The participant's credit card account may be charged for the actual cash difference between the cost of the award redeemed and the net value of the actual points available for redemption in the event the participant redeems unearned points. Accounts must be open (not canceled or terminated by either party) at time of redemption. Awards are not available when the cardholder is in default under the card agreement. The sponsoring credit union reserves the right to suspend the cardholder's participation in the program until the account is in good standing. Unused points will expire at the end of the fifth calendar year. Points may be forfeited due to rules violations. This program is void where prohibited or restricted by law. The program provider reserves the right to terminate the programs or portions thereof at any time without restriction or penalty. This means that regardless of a participant's level of activity in the program, the ability to accumulate points or claim awards can be terminated with or without prior notice. The participant's use of their credit card following receipt of these rules will indicate their agreement to comply with and abide by these rules.

Cash*Rewards* Program for Platinum Cards — The cash rebate is earned with purchases beginning on the first day in which the program begins and is paid annually to accounts open and in good standing on the posting date. Every dollar in net purchases (purchases of goods and services minus any returns or refunds) that a cardholder or any authorized user on the account makes with a NASA Federal Platinum Cash Back Rebate credit card, is covered by this program. The net purchases that appear on the monthly statement during the program period earn a cash rebate. All rebate accruals will appear on the monthly statement. We reserve the right to determine if net purchases qualify for the rebate. No retroactive rebates will be awarded. We reserve the right to prohibit any cardholder from earning or receiving a rebate. If an account is closed for any reason, membership in the program will be terminated and the total balance of accumulated rebate earnings will be forfeited. Membership in the program will be renewed automatically each year, as long as the account is open and not in default as described in this Cardholder Agreement, unless we are notified of cancellation. The balance transfers, cash advances, overdraft protection advances, convenience checks, money orders, finance charges, unauthorized or fraudulent charges, or fees of any kind, including fees for products that protect or insure the balances of the account are not eligible for rebates. Rebates will be deducted for any returns or credits made on the account. Rebates earned are not transferable and cannot be used as payment of obligation to us. The program and benefits are offered at our sole discretion. We reserve the right to alter or waive any program feature or benefit prospectively or retroactively, including, without limitation, participation fees, rebate accrual or criteria, or to cancel or temporarily suspend the program at any time. The program is void where prohibited by federal, state, or local law. These rules and regulations set forth all the terms of the program. We have no other obligation with respect to the program beyond those described in these rules. Rebate is based on net annual purchases as follows:

a. 1% rebate for purchases up to $1,000;
b. 1.25% rebate for purchases from $1,001 $2,000;
c. 2% rebate for purchases from $2,001 +

Your Rights And Our Responsibilities After We Receive Your Written Notice.

We must acknowledge your letter within thirty (30) days, unless we have corrected the error by then. Within ninety (90) days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is. Special Rule For Credit Card Purchases. If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right: (a) You must have made the purchase in your home state or, if not within your home state, within 100 miles of your current mailing address; and (b) The purchase price must have been more than $50.

These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.
