Effective 8/22/2010

For questions about your balance, call the customer service number on your Visa statement.

1. BALANCES ON WHICH FINANCE CHARGES (INTEREST) ARE COMPUTED:

Principal balances of Purchases, Cash Advances and Balance Transfers are determined each day during the statement period, beginning with the principal portion of your Previous Balances, reduced by payments you make and credits we apply during the statement period, and increased by Purchases, Cash Advances and Balance Transfers you make, and debit adjustments we make during the statement period. The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases, cash advances and balance transfers, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. All Automated Teller Machine (ATM) transactions, Credit Card Checks, and Cash Advances with the Card(s) are considered Cash Advances.

2. CASH ADVANCES: NOT AVAILABLE

3. BALANCE TRANSFERS: NOT AVAILABLE

4. VARIABLE RATE CALCULATION:

Purchase Rate

We calculate your variable purchase rate by adding 17.75% ("margin") to the Prime rate published in the "Money Rates" section of *The Wall Street Journal* ("Index") on the first day of January, April, July and October. If the *Journal* is not published on that day, then see the immediately preceding edition. If Prime changes, your new rate will take effect on the first day of February, May, August and November.

5. FINANCE CHARGES:

The FINANCE CHARGE is the amount of money that you pay for the money you borrow. You can avoid FINANCE CHARGES (interest) on your New Purchases balance by paying the entire account balance (shown as the Total New Balance) by the Account Statement's "Payment Due" date. FINANCE CHARGES on New Purchase balances are calculated at the periodic rate of 0.057534% per day, which corresponds to an **ANNUAL PERCENTAGE RATE** of 21.00%.

6. MONTHLY PAYMENT:

We will mail you a statement each month when transactions or an owing balance appear on your account. The statement will show your Previous Balances of Purchases, the current transactions on your account, the remaining credit available under your Credit Line, the New Balance of purchases, the Total New Balance, the FINANCE CHARGES due to date, any other billed fees, and the Minimum Payment required. If you signed up to receive your statements electronically (e-statement), we will send you an electronic

notification when your statement is ready for you to view. You must pay at least the Minimum Payment required by the Payment Due Date noted on your statement. The Minimum Payment will be either (a) 2.5% of your Total New Balance, or \$25, whichever is greater, or (b) your Total New Balance, if it is less than \$25 plus (c) any portion of the Minimum Payment(s) shown on prior statement(s) which remain unpaid. At any time your Total New Balance exceeds your Credit Limit, you must immediately pay the excess upon our demand. You may pay more frequently, pay more than the Minimum Payment or pay the Total New Balance in full before the "Payment Due" date. You will avoid FINANCE CHARGES on New Purchases if you pay the Total New Balance in full before the "Payment Due" date. All mailed payments must be made by check or money order. You agree that any payment you make may be returned to you without applying it to your Account and without presentment or protest, for any reason, including if the check or money order is (1) not drawn on the U.S. Post Office or a financial institution located in the United States; (2) missing a signature; (3) restrictively endorsed; (4) post dated; (5) not payable to TruWest Credit Union; (6) not drawn in U.S. dollars on funds on deposit in the U.S.; or (7) not paid upon presentment. You agree to pay any bank or financial institution collection fees we incur for any check payments made in U.S. Dollars drawn on a financial institution not located in the United States. All payments under this Agreement must be received at the address specified on your billing statement. Disputed payments, including those marked "Payment in Full" or otherwise restrictively endorsed must be mailed to TruWest Credit Union, P.O. Box 30495, Tampa, FL 33630-3495.

7. HOW WE ALLOCATE YOUR PAYMENTS:

We will allocate your payments to balances (including transactions made after your latest statement) with higher APRs before balances with lower APRs. This will result in balances with higher APRs (such as cash advances) being paid before any other existing balances.
