For Credit Card Tips from the Federal Reserve Board:

To learn more about factors to consider when applying for or using a credit card, visit the website of the Federal Reserve Board at www.federalreserve.gov/creditcard.

Annual Fee: None

Monthly Service Fee: None

Late Fee: Up to \$35

Returned Payment Fee: Up to \$32

Credit Limit Increase Fee: \$29. We may charge you a fee for processing your request to increase your credit limit.

This **Cardholder Agreement** will govern the regular terms of your credit card account with us. In this Agreement, the words "you" and "your" mean the applicant(s) shown on the application and anyone else you authorize or permit to use your account. The words "we", "us", and "our" mean CIT BANK, the issuer of the card, or its assigns.

MINIMUM PAYMENTS: Your total minimum payment is shown on your statement as Minimum Payment. Unless special terms are in effect, your Minimum Payment will be the greater of \$32 or the total of the payments individually calculated on each subaccount (parts of your balance to which differing terms may apply) at 3.25% of your highest balance for each subaccount. Minimum payments will be rounded to the nearest whole dollar. If the balance is less than \$32, then the minimum payment will be the balance. Any past due amount you owe and any amounts that exceed your credit limit may be included in the Minimum Payment due. Paying more than the minimum amount due in one billing cycle will not allow you to skip payments in the cycles that follow. Unless a

payment is not required because special terms are in effect, a Minimum Payment is due in every billing cycle as long as you have a balance on your account.

GRACE PERIOD AND INTEREST: Unless special terms are in effect, the following shall apply: If the beginning balance on your statement is zero, you have a 25 day Grace Period from statement closing date to pay new charges or a portion thereof without incurring interest. Interest is applied from the date of the transaction unless a Grace Period applies. Interest will be assessed on a subsequent statement for the portion of the new charges not paid within the Grace Period. If the beginning balance on your account is not zero, then interest will be imposed for the number of days a balance remained on your account, even if the balance is paid in full within 25 days of the statement closing date. We will use the Average Daily Balance Method to determine the "Balance Subject to Interest Rate" shown on your statement, to calculate and impose interest on each subaccount during any billing cycle, by applying a "Daily Periodic Rate" to the average daily balance of each subaccount times the number of days in the billing cycle. To get the daily Balance Subject to Interest Rate we take the beginning balance of each subaccount each day (including unpaid interest and fees), add any new purchases, fees and charges, and subtract any applicable payments or credits. This gives us the daily balance. The daily balances are then added together and divided by the number of days in the billing cycle. This gives us the average daily balance which is the Balance Subject to Interest Rate. The "Daily Periodic Rate" for each subaccount in any billing cycle is 1/365th of the then current APR. The resulting interest amounts for all subaccounts, if any, are then added together to give us the Interest for the billing cycle. Currently, the regular APR is **28.99%** with a corresponding regular Daily Periodic Rate of 0.079424%. *Balance Subject to Interest Rate:* Any daily balance of less than zero will be treated as zero.

Suspension and/or Loss of Special Terms If you make a late payment, meaning if we do not receive your Minimum Payment by 5 p.m. Central Time within 60 days after the Due Date shown on your statement, these special terms as well as any other special terms that may be in effect on other subaccounts (if any) will immediately be suspended and the special terms on all subaccounts will revert to the regular terms disclosed above. However, your special terms on all subaccounts, if applicable, will be subject to reinstatement if: 1) we receive your full minimum payments by the due dates in the six consecutive billing cycles immediately following the billing cycle in which you made a late payment; and 2) the special terms on any given suspended subaccount(s) did not expire prior to the end of said sixth billing cycle. If these conditions are met, your special terms will be reinstated effective with the first day of the next billing cycle following the close of the billing cycle in which the sixth consecutive on time payment was received. If you fail to meet these conditions, your special terms will be canceled and all suspended special terms subaccounts will be subject to regular terms going forward. Upon expiration of any special terms period(s), accrued interest (if

any) will be assessed, provided the balance of that subaccount has not been paid in full.

ANNUAL FEE: None.

SERVICE CHARGE: None.

RETURNED ITEM FEE: If your payment is returned for any reason you will be charge a fee of up to \$32. This fee will not exceed the amount of the current payment due.

LATE FEE: If your total minimum payment is not received by your Payment Due Date, or if a payment you make is not honored by your financial institution, you will be charged a late fee of \$25 if you have not paid late in the previous six billing cycles, or \$35 if you have paid late in the previous six billing cycles. Your late fee will not exceed your current payment due.

If your payment exceeds the Minimum Payment due in any billing cycle, we allocate the excess amount first to subaccounts that have deferred interest terms during the two full billing cycles immediately preceding expiration date of the special terms (if applicable); any remaining amount will be applied to balances with higher APRs before those with lower APRs. Otherwise, application of your payments will be allocated in the manner we determine, in accordance with applicable law. YOUR BILLING RIGHTS — KEEP THIS NOTICE FOR FUTURE USE

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement.

If you think there is an error on your statement, write to us at: HC Processing Center ATTN: Customer Care, PO Box 829, Springdale, AR 72765-0829.

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter.

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.

- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

1. If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
2. If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied with Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase.
3. You must not yet have fully paid for the purchase. If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: **HC Processing Center ATTN: Customer Care, PO Box 829, Springdale, AR 72765-0829.**

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
