**How We Will Calculate Your Balance:** We use a method called "average daily balance" (including new purchases). \* An explanation of this method is provided in your account agreement.  
**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.

This notice tells you about your rights and responsibilities under the Fair Credit Billing Act.

**WHAT TO DO IF YOU FIND A MISTAKE ON YOUR STATEMENT**

If you think there is an error on your statement, write to us at the address shown on your monthly billing statement.

In your letter, give us the following information:

- **Account Information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing (or electronically). You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

**WHAT WILL HAPPEN AFTER WE RECEIVE YOUR LETTER**

When we receive your letter, we must do two things:

1. Within 30 days after receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within **10 days** telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount in question, even if your bill is correct.

**YOUR RIGHTS IF YOU ARE DISSATISFIED WITH YOUR CREDIT CARD PURCHASES**

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing (or electronically) at the address shown on your monthly billing statement.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

If the Account is a joint Account, you and the joint Account holder each will be bound by this Agreement and each of you will be jointly and individually responsible for repaying all amounts due under this Agreement. Any authorized user of your Account will, by such use of the Account, be bound by the terms of this Agreement.

If you want to cancel the authorized or permitted use of your Account by another person, you may either write us at the address or call us at the telephone number shown on your Statement. You understand and agree that we will be unable to determine whether any particular transaction on your Account has been conducted by you, your joint Account holder or the authorized user or if the transaction by the authorized user was indeed authorized by you or made for your benefit. Your Credit Limit is the total maximum amount we allow you to owe us at any time. You may not exceed any credit limit that we set for your Account. This Agreement is governed by laws of the state in which our main office is located, and applicable federal law. This is the law we are speaking of when we refer to a term permitted or required by applicable law.

### **H. FEES**

Fees that you may be charged for services provided are set forth in the Credit Disclosures section of the attached Credit Application. By executing the Application you agree to pay them when applicable.

### **I. DISPUTE RESOLUTION**

We can delay enforcing our rights under this Agreement without losing them. If any provision of this Agreement is in conflict with applicable law, that provision will be considered to be modified to conform with applicable law. All disputes concerning this Agreement and use of cards issued pursuant to it will be resolved pursuant to federal and state law. We will promptly notify you once our investigation has been completed.

### **J. UNLAWFUL TRANSACTIONS**

### **K. CHANGE IN TERMS OF YOUR ACCOUNT**

We can change or add to any terms of your Account at any time. We do not guarantee that the fees and the Annual Percentage Rates (APRs) on your Account are for any particular length of time. Future changes will be made in accordance with this Agreement and applicable law. We will provide you with such notice as is required by applicable law. You may cancel your card without penalty if you do not accept such changes, and you may pay off the existing balance under the account terms in place at time of cancellation.

### INTEREST RATES AND FINANCE CHARGES

#### Interest Rates

The APR is divided by 365 and rounded to the next highest hundred thousandth of a percentage point to determine your Daily Periodic Rate. The daily periodic rate is used to determine the amount of periodic interest rate charges.

Variable rates are determined by adding a specified amount ("Spread") to an Index (described below).

Index for Variable Rate Accounts

#### Index Information

For each billing cycle, variable APRs are calculated by adding a specified amount ("Spread") to the U.S. prime rate published in the Money Rates table of *The Wall Street Journal* that is in effect on the first day of the prior month ("Prime Rate"). The Annual Percentage Rate (APR) may vary April 1 or October 1 of each year. An increase in the Prime Rate will increase your applicable Daily Periodic Rates, which may increase the Interest Charge due on your Account and may increase the Minimum Payment Due. Each time any APR changes, we will apply it to any applicable balances.

Specific Rates and Fees may be determined based on your creditworthiness.

#### Interest and Finance Charges

**Minimum Interest Charge:** NA.

**Paying Interest:** Your due date is at least 25 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your entire balance by the due date each month. The interest on cash advances and/or balance transfers will begin on the transaction date.

**Balance Transfer Fee:** 0% -2% of the amount transferred.

**Cash Advance Fee:** 0% -2% of the amount advanced (\$2.00 minimum).

**Foreign Transaction Fee:** 1% of each transaction in U.S. dollars.

## ACCOUNT FEES AND OTHER CHARGES

**Annual Fee:** \$0 - \$15.

**Late Payment Fee:** Up to \$25.

**Over the Credit Limit Fee:** NA.

**Returned Payment Fee:** NA.

**Required insurance, debt cancellation or debt suspension coverage:** NA

**Phone Payment Fee:** \$10.00 per occurrence if processed with a live representative. No charge if processed through automated system.

**Lost/Damage Fee:** \$0 - \$20.00

**Balance Computation Method:** The finance charges for the billing cycle are computed by applying the monthly periodic rate to the "average daily balance" of cash advances (and if applicable, purchases). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

**Disclosure of Rates:** The Daily Periodic Rate, which is used to determine your Interest Charges and the corresponding Annual Percentage Rate, may be variable rates, which may change semi-annually. The Daily Periodic Rate will be one-three hundred sixty fifth of the sums of the U.S. prime rate published in Money Rates table of *The Wall Street Journal* that is in effect on the first day of the prior month. ("Prime Rate"), plus a "Spread" of 16.00 percentage points for the Standard Rate. Any changes in the Prime Rate will increase your applicable Daily Periodic Rates, which may increase the Interest Charge due on your Account and may increase the Minimum Payment Due. Each time any APR changes; we will apply it to any applicable balances.
