The Cardholder upon demand shall pay any amount in excess of the Credit Limit approved by the Bank. No over-the-limit fee will be charged by the Bank. IV. MONTHLY BILLING STATEMENT

The Bank will provide the Cardholder with a monthly billing statement, containing all information required by law.

V. FINANCE CHARGES

The **FINANCE CHARGES** of the Cards are computed only on the principal balance for purchase of merchandise, services, Cash Advances and Balance Transfers.

The monthly and annual rates are the following:

Card Type	APR for Purchases	Monthly (Periodic Rate) Purchases	APR for Cash Advances	Monthly (Periodic Rate) Cash Advances
MasterCard/ Visa	18.95%	1.5792%	22.99%	1.9158%
	19.99%	1.6658%	22.99%	1.9158%
	24.99%	2.0825%	24.99%	2.0825%
Gold MasterCard	17.90%	1.4917%	22.99%	1.9158%
Visa Gold	14.99%	1.2492%	14.99%	1.2492%
	16.99%	1.4158%	16.99%	1.4158%
	19.99%	1.6658%	19.99%	1.6658%
	24.99%	2.0825%	24.99%	2.0825%

APR (Annual Percentage Rate)

The applicable annual percentage rate for MasterCard and Visa on Purchases, Cash Advances and Balance Transfers can be **18.95%**, **19.99%** or **24.99%**. This rate is established according to your experience upon approval of your application, on the free market and on the regulation in effect.

The applicable annual percentage rate for Visa Gold on Purchases, Cash Advances and Balance Transfers can be **14.99%**, **16.99%**, **19.99%** or **24.99%**. This rate is established according to your experience upon approval of your application, on the free market and on the regulation in effect.

A. The Bank determines the **FINANCE CHARGES** you will pay for the purchase of merchandise and services as follows:

1. The Average Daily Balance for Purchases is calculated by adding the outstanding balance at the end of each day during the preceding billing cycle and dividing that sum by the number of days in that billing cycle. The outstanding balance at the end of each day is determined by (a) adding to the previous day's outstanding balance any Purchase posted on that day, and (b) subtracting from the previous day's

outstanding balance any payment received or credit posted in relation to Purchases during that day.

2. Then it multiplies the Average Daily Balance by the actual monthly periodic rate.

B. The Bank determines the **FINANCE CHARGES** you will pay for Cash Advances as follows:

1. The Average Daily Balance for Cash Advances is calculated as prior stipulated for merchandise and services using a monthly periodic rate.

2. Then it multiplies the Average Daily Balance by the actual monthly periodic rate.

3. There is no grace period to avoid paying **FINANCE CHARGES** for Cash Advances obtained by the customer.

C. No **FINANCE CHARGES** will be assessed on Purchases of merchandise and service during a monthly billing cycle if the Cardholder pays the balance in full on or before the due date shown on the billing statement. **FINANCE CHARGES** will be assessed on Cash Advances or if you use a Convenience Check from the date the Cash Advance is posted to the Cardholder's Account until it is repaid in full. **BALANCE TRANSFERS** and **CONVENIENCE CHECKS** are handled as Cash Advances.

VI. MINIMUM PAYMENT

The Cardholder may pay the full amount or a portion of the New Balance show on his/her monthly billing statement but must pay at least the minimum monthly payment, calculated as follows: 3% of the new balance plus any amount due and/or amount over the approved limit, or \$25, whichever is greater.

VII. APPLICATION OF PAYMENTS

If the Cardholder pays an amount in excess of the required Minimum Payment, the excess shall be applied against the principal amount with the highest interest rate.

VIII. ANNUAL MEMBERSHIP FEE

The Cardholder is subject to pay an annual fee, as well as a fee for each additional Card. The fees apply even if the Cardholder and/or the authorized persons do not use the Card(s). The fees may change over time, at the Bank's discretion. You may cancel your Card if you do not agree with an annual fee increase. Refer to Section XIV of this Agreement.

The following fees apply:

Card Type	Annual Fee	Additional Card Fee
MasterCard	\$29	\$9
Gold MasterCard	\$49	\$9
Visa	\$29	\$9
Visa Gold	\$45	\$9

IX. OTHER CHARGES

For all cards there is a **\$25.00** late payment charge if the Minimum Payment is not received by the payment due date. Any subsequent violations that occur after the first late payment, over the next 6 months, may be subject to a \$35 late payment fee. After the 6-month

period has elapsed, the next late payment violation will be subject to a \$25 fee and another 6-month period will commence where late payment violations may be subject to a \$35 fee, and so on. In any case, the amount of the fee will not exceed the minimum monthly payment amount for the billing statement in which your monthly payment was late.

For all Cards, a **2%** fee for **Cash Advance or Balance Transfer** amounts will be charged to your Account with a maximum fee of \$10.00 and minimum of \$2.00 for each Cash Advance obtained, be it made by ATM, branch, Cash Advance or from Convenience Checks.

Foreign Transaction Fee: A fee of **1% of the transaction** in USD will apply to each transaction made in a foreign currency, and is additional to any other applicable fees.

If you pay by check and the check payment is returned unpaid, an administrative fee of **\$10.00 will be assessed every time the check is returned unpaid**. These charges will be added to your balance account for purchase of merchandise and services. These fees may vary from time to time at the Bank's discretion with prior notification.

One Fee for Violations Resulting From Single Event or Transaction: We will not impose more than one of the above-described fees for violating the terms of your account based on a single event or transaction. For example, if your payment is returned after the date it was due as shown on your billing statement as a result of non-sufficient funds or other reason, we will impose a late payment fee, a returned payment fee or a non-sufficient funds fee but not all of them because the late payment and the returned payment have resulted from the same event or transaction.

X. DEFAULT APR

Default Rate: The APR that will apply to the Account balance, including new Purchases, Cash Advances and Balance Transfers, can increase to **24.99% or 28.99% APR**, subject to your credit behavior score if any of the following conditions occurs:

A. The Minimum Payment is not received within 60 days of the due date on the account statement.

B. Inadequate account management that is not in accordance with Bank credit policies that may include: one late payment, a returned check, over limit of the established credit line, and non-compliance with the credit parameters established by the Bank. The Bank will provide previous notices as required by law before the implementation of default rates. The default rate will revert to the regular APR when six (6) consecutive Minimum Payments are received by the due date.

XI. LOSS OR THEFT OF THE CARD

In the event of loss or theft of the Card, the Cardholder shall promptly notify the Bank by telephone 787-766-

4999 (toll free: 1-877-766-4999) 24 hours, 7 days a week, or at 1-800-847-2911 (United States); or by sending a fax to 787-704-6510. The Cardholder will complete and submit such forms or reports as the Bank may require. The Cardholder's liability for unauthorized use of the Card will not exceed the lesser of \$50.00 or the amount of money, property, labor or services obtained by the unauthorized use of the Card if the customer notified the Bank within two days of discovering the loss.

XII. BALANCE INSURANCE

The Cardholder can apply for credit plan insurance, in which you will insure the Account balance up to a maximum of \$10,000. This is optional; the credit plan insurance is not a requirement to obtain the Card.

XIII. ACCELERATION OF THE DEBT

The Bank may accelerate the maturity of any part or all of the amount owed under this Agreement under the occurrence of any of those circumstances prescribed by law.

XIV. AMENDMENTS

The Bank shall have the right to amend the terms and conditions at any time by giving written notice to the Cardholder prior to the effective date of the amendment as required by applicable regulation. If the Cardholder does not accept the amended terms and conditions stated in the written notice, the Cardholder may cancel the Agreement in accordance with the law by following the cancellation procedure described in the written notice. If you do not agree with the amendments and want to cancel the Agreement, you must notify us in writing before the date the changes become effective and continue to pay the balances owed according to the terms and conditions previously in effect.

XV. MISCELLANEOUS PROVISIONS

A. The Bank is hereby authorized by the Cardholder to investigate the Cardholder's credit references.

B. The Cardholder may apply for additional Cards under the Cardholder's current Account number for use by other persons designated by the Cardholder, in which case the Cardholder shall be severally liable for the payment of all Purchases and Cash Advances made through the use of the additional Cards, and of the **FINANCE CHARGES** pertaining thereto. If the Cardholder wants to revoke the authorization given by him/her to other people to use the Cards, the Cardholder must notify those persons of the revocation and obtain and surrender to the Bank the Cards issued to such people.

C. The Bank's failure to exercise any of its rights under the contract shall not be deemed to be a waiver of such rights.

D. Joint accounts: You shall be jointly and severally liable for the total payment of the Purchases and Cash Advances made with your Cards. The Bank can require the appearance and signature of all the

purchasers to process certain instructions or requests, which include, but are not limited to, (1) a request for increase or reduction in the Credit Limit, (2) the issuance of additional Cards, and (3) change of address to which the Account Statement of your Card is mailed. You agree to release and indemnify the Bank of all responsibility due to damages, losses or expenses that arise as a result of any action executed by the Bank in compliance with the instructions given by any of you.

E. The Bank is not responsible if a Purchase or Cash Advance on your Account is not approved either by the Bank or by a third party, even if you have sufficient credit available. The Bank may limit the number of Purchases or Cash Advances that may be approved in one day. If the Bank detects unusual activity in your Account, it may temporarily suspend your credit privileges until it can verify that the transaction is legitimate. The Bank may approve Purchases or Cash Advances that cause the balance to exceed your Credit Limit without waiving any of its rights under this Agreement.

F. If any clause or part thereto of this Contract is annulled by Court or becomes ineffective by provisions of law or regulations, the remaining provisions of this Contract shall not be affected and shall continue in full force and effect.

G. This Contract shall be interpreted under the laws of the Commonwealth of Puerto Rico and the currency let out herein shall be United States dollars.
