**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your Cardholder Agreement.

**Variable Rate Information:** The Prime Rate used to determine your APR is a variable rate and is the highest prime rate published in the “Money Rates” section of the Eastern edition of The Wall Street Journal as of the last day of the month. In the event a rate is not published on the last day of the month, the rate published most recently prior to that date will be the effective rate. Prime Rate changes will then take effect on the first day of the next billing cycle.
