From time to time, in addition to "current" bona fide Members, the Mailing List shall also include "past" bona fide Members, as requested by Bank. University shall update the Mailing List prior to each mailing and remove inaccurate names and addresses from such list. To the extent that Requirements of Law require that University maintain a list of Members who do not wish to receive mailings (a "Do Not Solicit List"), University will ensure that any Mailing List provided to Bank will not include Members' names that also appear on the Do Not Solicit List. Bank will provide at least thirty (30) days' advance notice to University when requesting an updated Mailing List prior to a Solicitation so that

Notwithstanding the foregoing, if Organization does not participate in any channel, Bank shall have the right to participate in such channel and Organization shall make such channel available to Bank. To the extent that any new Credit Card Account is attributed to a BSP, Organization shall receive the applicable compensation set forth in Schedule B. Failure by Organization to use or make available to Bank a channel described in Schedule D (including the frequency described therein) in connection with the Program shall be deemed a material breach by Organization of this Agreement subject to the terms of

Without limitation, in connection with any OSPs, neither Organization or University nor any of their representatives shall represent to any Member that a Credit Card Account will be opened as a result of any application by such Member, and Organization and University shall not select which Member(s) shall receive or otherwise be solicited to receive an application for a Credit Card Account based upon any method or rationale which may be discriminatory.

2.5.2 Bank Sourced Programs shall include all available marketing and Solicitation channels identifiable as being in the control of Bank (such as by primary contribution of cost of materials or staffing). Bank shall design Solicitations for all BSPs. All Solicitations shall be coded by Bank for tracking purposes. Bank shall determine, in its sole discretion, which Credit Card Accounts were opened as a result of BSP efforts and initiatives. Bank shall have all approval and control of the scope, timing and information of all BSPs. Bank will comply with its policies, guidelines and Requirements of Law regarding the BSPs.

2.5.3 Notwithstanding Sections 2.5.1 and 2.5.2, any direct mail campaign Solicitations will be attributable as an OSP if primarily funded by Organization or University or attributable as a BSP if primarily funded by Bank.

2.6 Bank Operational Responsibilities. Bank shall administer and be solely responsible for all operational aspects of the Program, including without limitation, plastic issuance, statement rendering, Member and Cardholder telephone inquiries, charge-back processing, computer processing and collections. Neither Organization nor University shall have liability or responsibility therefor. Neither Organization nor University shall be required to provide any administrative, marketing, promotional, or any other types of services in connection with this Agreement. Any services referred to herein explicitly or by implication shall be performed by Bank at its sole expense. Bank shall cause the Program to comply with all applicable Requirements of Law in all material respects. 3.2 Reservation of Rights

. Bank acknowledges that University has represented to it, and University warrants, that University is the sole owner of all right, title and interest in and to the Licensed Marks. Bank acknowledges that it has not acquired, and shall not acquire, any right, title or interest in or to the Licensed Marks except the limited right to use such Licensed Marks as expressly set forth in this Agreement. 3.3 Restrictions

. All use of the Licensed Marks as permitted herein shall be subject to the following restrictions:

3.3.1 Bank shall not create, nor shall it permit third parties to create a unitary composite mark involving the Licensed Marks or use the Licensed Marks (a) as a portion or in combination with any other trademarks, service marks or logos; (b) as all or part of a corporate name, trade name or any other designation

Both during and after the term of this Agreement, neither Bank nor any parent, subsidiary, or Affiliate of Bank shall use any name, trademark, service mark, trade name, trade dress or logo which is confusingly similar or identical to any of the Licensed Marks. Nothing herein shall prevent Bank from using or affixing other trademarks to the Organization Cards or marketing materials related to the Program as long as such usage is not inconsistent with the requirements of this Section 3.3.1; provided, however that, in no event shall any such other trademark be of greater prominence than the Licensed Marks, other than Bank Trademarks, PLUS SYSTEM Trademark, Visa Service Marks, MasterCard Service Marks, or Cirrus Service Marks.

3.3.2 Bank shall not, directly, indirectly or otherwise: (a) facilitate activities which jeopardize, dilute or otherwise adversely affect the Licensed Marks; or (b) attack, dispute or challenge (nor aid or encourage others to do so) University's right, title and interest in and to the Licensed Marks, or the validity of the Licensed Marks.

3.3.3 Neither Organization nor University shall have any right, title, or interest in and shall use the company name, logos or trademarks of any Visa Service Marks, PLUS SYSTEM Marks, Cirrus Service Marks or MasterCard Service Marks without specific prior written consent. Bank shall not engage directly, indirectly or otherwise, in any practice or other activity that is or is likely to be detrimental to the goodwill associated with the Licensed Marks or the goodwill or reputation of Organization or University or their services or products, or that constitutes a deceptive trade practice or unfair competition or that violates any applicable fair trade laws, privacy protections or advertising rules and regulations or that would disparage the Licensed Marks.

4. ROYALTIES.

4.1 During the term of this Agreement, and after termination so long as Cardholders hold a Credit Card Account or Debit Card that bears the Licensed Marks issued in connection with this Agreement (as described further in Section 5.3), Bank agrees to pay to Organization Royalties and Incremental Royalties according to the terms listed in Schedule B hereto.

4.2 For purposes of this Agreement, at that point during any year in which the cumulative Total Royalties exceed the cumulative Prepayment Amounts paid to date, Bank shall pay the Total Royalties earned that exceed the cumulative Prepayment Amounts within thirty (30) Business Days after the end of each calendar month in which such Total Royalties are earned, except as otherwise provided in Schedule C hereto. For any year following a year in which Total Royalties are paid as provided in this section (i.e., due to exceeding cumulative Prepayment Amounts), no Total Royalties will be paid on a monthly basis until the amount of cumulative Total Royalties again exceeds the Prepayment Amount(s) paid starting from such subsequent year.

4.3 Bank shall deliver to Organization each month a report indicating the total Net Retail Sales Volume, newly activated Credit Card Accounts and renewal Credit Card Accounts for such month relating to the Program and setting forth Organization's Total Royalties thereof as calculated in accordance with Sections 4.1 and 4.2. Subject to termination as provided in this Agreement, this Agreement shall automatically renew for up to two (2) additional one year terms following the initial term and each renewal term, unless one party, if in compliance with its obligations under this Agreement or excused from compliance

hereunder gives written notice of non-renewal to the other parties one hundred eighty (180) days prior to the end of the initial term or the renewal term, as the case may be.

5.2 Termination for Cause

. Any party hereto may terminate this Agreement and the licenses granted herein in the event of a material breach of this Agreement by any one or more of the other parties hereto, by giving the breaching party(ies) ninety (90) days' written notice thereof; provided, however, that any such termination shall not be effective if the breach has been cured prior to the expiration of said ninety (90) days. Specifically with respect to a breach by Organization of Section 2.5, Organization's cure rights include the timely availability of a similar channel not already available, as agreed between the parties. Where Organization cures a breach of Section 2.5, Organization shall not be entitled to receive any future Prepayment Amount until Organization cures such breach. Notwithstanding the foregoing, if Organization fails to cure its breach of any terms of this Agreement, including Section 2.5, compensation and future Prepayment Amounts shall cease as provided in Section 5.3 and Schedule C.

5.3 Effect of Termination

. Upon termination of this Agreement, all rights and licenses granted hereunder shall immediately terminate, except that Sections 3.2, 3.3, 5.3, 7, 8 and 9 and Section 4.1 (with the limitations described further below) shall survive termination. Except as provided below, following termination of this Agreement and during the Wind-Down Period, Bank shall have no obligation to compensate Organization hereunder and Organization shall be entitled to no further compensation from Bank hereunder, except for unpaid Royalties and unpaid Incremental Royalties earned prior to such termination as set forth in Section 4.1 above. Notwithstanding the foregoing, to the extent that Organization Cards issued during the term of the Agreement contain Licensed Marks, Bank shall be obligated to make ongoing payments to Organization specified pursuant to Section 4.1, above. The parties acknowledge and agree that, upon termination of the Agreement, Bank shall have the right to replace (including deactivate) Cards bearing Licensed Marks and to reissue the Cards with card plastic that does not contain Licensed Marks, and where Bank has issued such new card plastic, Bank shall no longer be obligated to make payments to Organization. Proof of such new plastic issuance will be provided to Organization or University (one party only) at such party's request, and the parties agree that written proof of the mailing to Cardholders of such plastic shall be conclusive evidence of Bank's right to discontinue compensation as provided herein. Upon termination of this Agreement, Bank shall immediately cease all use and display of the Licensed Marks on newly-created Program marketing materials. Following termination of this Agreement, Bank shall not continue to market or accept applications for the Organization Card. Upon termination of this Agreement, Bank shall retain all right, title and interest in all Credit Card Accounts and Organization Cards and in all Cardholder names, addresses, telephone numbers and other Cardholder and Credit Card Account identifying information. Without limitation of the foregoing, upon and following termination of this Agreement Bank shall have the right to solicit any Cardholder or convert any Organization Card and related Credit Card Account to any

other card or account issued by Bank or any Affiliate of Bank, and to exercise all rights of ownership with respect thereto, subject to applicable law; provided that Bank shall immediately cease use of all Mailing Lists and shall immediately return such lists to University. Bank shall have no obligation to assign new account numbers to replacement Cards.

6. EXCLUSIVITY; DEBIT CARDS.

6.1 Exclusivity. Organization and University agree that, during the term of this Agreement, neither Organization nor University shall be a party to any agreement not in effect as of the date of this Agreement with any issuer of credit cards or charge cards for the purpose of issuing credit cards or charge cards or the functional equivalent to Members or opening related credit card or charge card accounts, which credit cards or charge cards bear the Licensed Marks or credit card or charge card accounts are associated with the Licensed Marks. (For purposes of this Agreement, a "charge card" is a non-revolving line of credit accessible through use of a card or other access device.)

6.2 Debit Cards. Organization and University understand and agree that Bank also has the ability to issue Debit Cards that are tied to Associated Accounts. Should either Organization or University desire to offer Debit Cards to Members, Organization or University (as applicable) grants to Bank an irrevocable right of first refusal to issue such products to Members in the Footprint States. In the event the parties cannot agree upon the terms of such co-branded Debit Card program after good faith negotiations within three (3) months after such proposal is received by Organization or University (as applicable), Organization or University (as applicable) may commence a request for proposals from Bank and other issuers for the purpose of entering into an agreement for issuance of a co-branded debit card.

7. INDEMNIFICATION.

7.1 Indemnification Obligations. From and after the date of this Agreement, each party hereto (the "Indemnifying Party") shall indemnify, defend and hold the other parties hereto (each, an "Indemnified Party"), all its corporate parents, subsidiaries and Affiliates and all of its and their employees, subcontractors, agents, officers, directors and shareholders harmless against: (a) any and all out-of-pocket expenses or losses, liabilities, damages, costs or other direct expenses or claims or counterclaims of third persons or entities directly related or attributable to (i) the Indemnifying Party's or its agent's or employee's violation (or act causing the other party to be in violation) of any state or federal law or regulation, or such parties' willful misconduct; (ii) the Indemnifying Party's breach of any covenant or warranty made by the Indemnifying Party in this Agreement; (iii) any material misrepresentation of Indemnifying Party in this Agreement or any material misrepresentation in or omission from any document, certificate or information furnished or to be furnished by Indemnifying Party under this Agreement; and (iv) any products or services offered, provided, manufactured, marketed, distributed, advertised, promoted or issued by or on behalf of Indemnifying Party (including without limitation the Organization Cards) or based upon use of the Licensed Marks by or on behalf of Indemnifying Party; (b) any losses due to any fraudulent activity on the part of

any employee or agent of Indemnifying Party; (c) any claims brought by any Indemnified Party's customer, Cardholder, employee or other third party based upon Indemnifying Party's failure to make any payment to such customer, Cardholder, employee or other third party; and (d) any and all actions, suits, proceedings, demands, assessments, judgments, costs and expenses, and any reasonable attorneys' fees, consultant's fees or court costs incident to any of the foregoing, except for any loss due to the gross negligence or willful misconduct of the other party or its agents or employees.

7.2 Indemnification Procedures. The Indemnified Party will notify the Indemnifying Party in a reasonably prompt manner of any claim that is asserted and each action or suit that is filed or served (any of the foregoing being a "Claim") for which the Indemnified Party is seeking indemnification pursuant to this Section 7. The Indemnifying Party may thereafter assume control of such Claim, provided, that the Indemnified Party will have the right to participate in the defense or settlement of such Claim. Neither the Indemnifying Party nor the Indemnified Party may settle such Claim or consent to any judgment with respect thereto without the consent of the other party hereto (which consent may not be unreasonably withheld or delayed). The Indemnified Party will provide the Indemnifying Party with a reasonable amount of assistance in connection with defending or settling any such Claim.

8. LIMITATION OF WARRANTY AND LIABILITY.

8.1 In no event shall any party hereto or any of its directors, officers, employees, licensors, suppliers or other representatives be liable for any indirect, special or consequential damages, or damages for loss of profits, business interruption, loss of goodwill, or otherwise, arising from or relating to this Agreement or the Licensed Marks or Bank Trademarks (as the case may be), even if such party is expressly advised of the possibility of such damages, except in the case of gross negligence or willful misconduct. Notwithstanding anything to the contrary, in no event shall the aggregate liability of either party or any of its directors, officers, employees, licensors, suppliers or other representatives, exceed \$100,000. The foregoing limitations of liability and exclusion of certain damages shall apply regardless of the failure of the essential purpose of any remedies available to either party. This limitation of liability does not limit any indemnification obligation in Section 7 herein or payment under Section 4 and Schedules B and C which payment accrued prior to any termination of this Agreement but remains unpaid following termination of the Agreement, or is otherwise payable, pursuant to Section 4.1.

8.2 Injunctive Relief. Each party agrees that a breach of its obligations under this Agreement, including, without limitation, its obligations set forth in Sections 3.3 and 9 would cause the other party irreparable damage. Accordingly, each party agrees that in the event of such breach or threatened breach, in addition to remedies at law, the party alleging breach shall have the right to injunctive or other equitable relief to prevent the breaching party's violations of its obligations hereunder, and hereby consents to the entry of temporary restraints, a preliminary injunction, a permanent injunction and such other equitable relief as the court may deem appropriate.

9. CONFIDENTIALITY.

9.1 Confidential Information. Except as otherwise provided herein or as may be required by Requirements of Law, in performing its obligations pursuant to this Agreement, each party may have access to or receive disclosure of certain confidential information about or proprietary material of the other party, including, but not limited to: such party's marketing philosophy and objectives, promotions, financial results, technological developments, customer names and addresses and other customer identification information, and other similar confidential and/or proprietary information and materials (hereinafter "Confidential Information").

9.2 Organization and University Confidentiality Obligation. Except as otherwise provided herein, Organization and University shall at all times maintain, and cause their respective agents, officers, subcontractors, employees and Affiliates ("Organization and University Representatives") to maintain, the confidentiality of all Confidential Information belonging to Bank. Neither Organization nor University shall sell or otherwise convey any of such Confidential Information to any third person and shall exercise all necessary precautions to prevent access to such Confidential Information by any third person other than Organization and University Representatives who have a need to know or who must access such Confidential Information in order for Organization or University (as applicable) to fulfill its obligations hereunder. Organization and University shall inform those Organization and University Representatives of the confidentiality obligations hereunder and require their compliance with such obligations. Organization and University shall not use such Confidential Information for any purpose whatsoever other than those specifically contemplated herein.

9.3 Bank's Confidentiality Obligation. Except as otherwise provided herein, Bank shall at all times maintain, and cause its agents, employees, subcontractors and Affiliates ("Bank Representatives") to maintain, the confidentiality of all Confidential Information belonging to Organization or University including but not limited to Mailing Lists. Bank shall not sell or otherwise convey any of such Confidential Information to any third person and shall exercise all necessary precautions to prevent access to such Confidential Information by any third person other than Bank Representatives who must access such Confidential Information in order for Bank to fulfill its obligations hereunder. Bank shall inform those Bank Representatives of Bank's confidentiality obligations hereunder and require their compliance with such obligations. Bank shall not use such Confidential Information for any purpose whatsoever other than those specifically contemplated herein. This Section 9.3 shall not restrict Bank's right to provide certain Cardholder information to third parties subject to applicable Requirements of Law, notwithstanding that such information may also be included on Mailing Lists.

9.4 Additional Confidentiality Obligations. Except as otherwise provided herein, each party agrees that during the term of this Agreement and thereafter, Confidential Information of the other party is to be used solely in connection with satisfying the receiving party's obligations pursuant to this Agreement, and that the receiving party shall receive such Confidential Information in confidence and not

disclose such Confidential Information to any third party, without the written consent of the furnishing party, except that either party may disclose Confidential Information as required by any regulatory agency having jurisdiction over it or during the course of any independent or regulatory audit. The parties may mark documents containing Confidential Information with applicable language or stamps, such as "Confidential." Notwithstanding anything to the contrary in this Agreement, if any party is compelled by applicable law, subpoena or court order to disclose any portion of the other party's Confidential Information, the party so compelled may comply with such law, subpoena or order, provided, that the party so compelled shall timely as practicable, if permitted by Requirements of Law, notify the proprietor of the Confidential Information and reasonably cooperate in any of the proprietor's efforts to maintain the confidentiality of such Confidential Information. All Confidential Information furnished by the parties to each other in connection with this Agreement is the exclusive property of the furnishing party, and, at the request of that party or upon termination of this Agreement, the other party shall promptly return to the furnishing party all such information without copying such information. Without the prior written consent of the other party, neither party shall disclose, furnish, or use in any way whatsoever not specifically contemplated hereunder, and shall take measures to prevent its agents, employees and subcontractors from using, any Confidential Information to which it becomes privy. Confidential Information does not include (a) information which is now in or hereafter enters the public domain (and is not subject to a confidentiality agreement with the entity obtaining the same) through no action on the part of either party in violation of the terms of this Agreement, (b) information that is independently developed by or for a party, (c) information that is received from a third party (subject to such third party not having violated the terms of any confidentiality agreement), or (d) information that was in the possession of the receiving party prior to the date of this Agreement and not obtained in violation of any confidentiality agreement. Without limiting the foregoing, the parties shall keep the terms of this Agreement confidential.

9.5 New Jersey Open Records Law. Bank and University agree that University, as a state entity, must comply with the New Jersey Open Public Records Act, NJSA §47:1A-1 et seq., ("Act") and the common laws of New Jersey. Both parties acknowledge that under the Act, trade secrets and proprietary commercial or financial information or information which, if disclosed, would give an advantage to competitors or bidders, or material which is otherwise exempt from disclosure under any federal or state law ("Protected Information"), are specifically exempted from disclosure under such Act. University agrees, where possible, not to disclose any Protected Information it receives from Bank that the Bank has previously identified as Protected Information, that the University determines is protected from mandatory public disclosure under a specific exception to the Act. In any case, should University receive any request for the disclosure of any material that Bank has previously identified as Bank's Protected Information pursuant to New Jersey law, University shall promptly notify Bank so that Bank may have the opportunity to determine what information, if any, may be protected by applicable law, and to obtain protection from such disclosure.

10. WARRANTIES AND REPRESENTATIONS.

Each party hereto to this Agreement warrants and represents to the other as follows: (a) it has the full power and authority to enter into this Agreement and to carry out its obligations hereunder; (b) the individual signing this Agreement on its behalf is duly authorized to do so; (c) the execution and performance of this Agreement by it will not violate its organizational documents or bylaws or any material contract or other instrument to which it is a party or by which it is bound; (d) it has all necessary authority to permit and license use of its trademarks hereunder; and (e) it has all authority to disclose to the other any Confidential Information owned by it that also constitutes personal information of an individual. Further, University warrants and represents that it is the owner of, or otherwise has the right to provide, any information provided to Bank pursuant to this Agreement, including, without limitation, the Mailing Lists, and that current Requirements of Law and University's privacy policy (if any) permit the disclosure of the types of personal and other information that is provided pursuant to the terms of this Agreement.

11. MISCELLANEOUS.

11.1 Assignment. Neither party shall assign or delegate any of its rights or obligations under this Agreement without the other party's prior written consent, except that Bank may (a) assign or delegate this Agreement and any of its rights or obligations hereunder (which shall have the effect of releasing it from its obligations hereunder) to any Bank affiliate, subsidiary, corporate parent or successor-in-interest which has the authority to operate the Program in the manner operated by Bank under this Agreement without prior notice to or consent of Organization and University and (b) assign its rights under this Agreement to a purchaser of substantially all the assets of Bank. Bank shall notify Organization of such transaction prior to its consummation, where permitted.

11.2 Notices. Any notice or submissions required to be given to either party under this Agreement shall be in writing and deemed given when delivered personally, mailed, first class mail, postage prepaid, or delivered by confirmed electronic or digital means, to the following addresses: (a) if to Organization, President, Rutgers University Alumni Federation, Winants Hall, 7 College Avenue, New Brunswick, New Jersey 08901; (b) if to University, Treasurer, Old Queens Building, Rutgers University, 83 Somerset Street, New Brunswick, New Jersey 08901, with copy to: General Counsel, Winants Hall, Rutgers University, 7 College Avenue, New Brunswick, New Jersey, 08901; (c) if to Bank, U.S. National Association ND, 2751 Shepard Road, St. Paul, MN 55116, Attn: Vice President – Affinity Card Solutions (Affinity Cards). Either party may change the addresses or addressees for notice by giving notice to the other. All notices shall be deemed received on the date personally delivered, three (3) days after being placed in the mail as specified, or when electronic or digital confirmation is received.

11.3 Governing Law. This Agreement shall be governed, construed and interpreted in accordance with the laws of the State of Minnesota. The laws of the state of North Dakota shall apply with respect to all fees, charges, and attributes of Organization Cards and Credit Card Accounts issued pursuant to the Program.

11.4 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties' respective successors and assigns.

11.5 Amendment and Waiver. No failure by either party to insist upon strict performance of any term or obligation set forth in this Agreement or to exercise any right or remedy under this Agreement, nor acceptance of full or partial performance during continuance of a default, shall constitute a waiver of any such term, obligation, right or remedy, or a waiver of any such default, by the party entitled to rely upon such term or performance of such obligation, to assert such right or remedy, or to act upon such default. No modification, course of conduct, amendment, supplement to, or waiver of this Agreement or any provisions hereof shall be binding upon the parties unless made in writing and duly signed by both parties.

11.6 Severability. Should any provision of this Agreement contravene any law, or valid regulation or rule of any regulatory agency having jurisdiction over either party hereto or should any provision of this Agreement otherwise be held invalid or unenforceable by a court or other body of competent jurisdiction, then each such provision shall be automatically terminated and performance thereof by both parties waived, and all other provisions of this Agreement shall nevertheless remain in full force and effect.

11.7 Compliance with National Association Regulations. In connection with its performance hereunder, Bank will comply with applicable regulations of Visa U.S.A., Inc.; Visa International Inc. and MasterCard International Inc. as in effect from time to time. To the extent any provision of this Agreement conflicts with such regulations at any time, Bank shall so notify Organization and University in writing and, thirty (30) days after Organization's and University's receipt of such notice, this Agreement shall be deemed amended to conform with such regulations.

11.8 Excusable Delays and Force Majeure. Any delay hereunder shall be excused to the extent approved in writing by the parties. Any delay in the performance by either party hereto of its obligations hereunder shall be excused when and to the extent such delay in performance is due to any cause or event of any nature whatsoever beyond the reasonable control of such party, including without limitation any act of God; any fire, flood or weather condition; any earthquake; any act of a public enemy, terrorism, war, insurrection, riot, explosion or strike; provided, however, that written notice thereof must be given by such party to the other party within thirty (30) days after the occurrence of such cause or event.

11.9 Immaterial Breach. From time to time, one party to this Agreement may determine that the other party is in breach of the Agreement, but that such breach is immaterial. In such case, the party making such determination may, at its option, notify the "breaching" party in writing of the occurrence and nature of such breach. In such case, the parties will work together in a good faith effort to resolve any issues relating to the alleged immaterial breach.

11.10 Entire Agreement. Each party hereto has read this Agreement, understands the Agreement and agrees to be bound by its terms and conditions. This Agreement supersedes all prior verbal or written agreements between the parties and now

constitutes the complete and exclusive statement of the terms and conditions between the parties covering the performance hereof.

11.11 Independent Contractor Status. Nothing in this Agreement will be construed as creating a joint venture, partnership or employment relationship between Organization and Bank or University and Bank. Organization and Bank, and University and Bank are independent contractors. Neither party will have the right, power or implied authority to create any obligation or duty on behalf of the other party, unless pursuant to a separate written agreement between the parties.

11.12 Dispute Resolution. If a Dispute arises between the parties relating to this Agreement, the following procedure will be implemented except that either party may seek injunctive relief from a court where appropriate in order to maintain the status quo:

11.12.1 Negotiation. If a Dispute arises, the parties will hold one or more meetings, attended by officers with decision-making authority, to attempt to negotiate a mutually agreeable resolution. All negotiations pursuant to this clause are confidential and will be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

11.12.2 Mediation.

11.12.2.1 If the parties have not resolved the Dispute within thirty (30) days of the first negotiation meeting, the parties will attempt to settle the Dispute by non-binding mediation under the then-current mediation procedure used by JAMS, the alternative dispute resolution company. Each party will bear equally the costs of the mediation.

11.12.2.2 The parties jointly will appoint a mutually acceptable neutral mediator. If they cannot agree on a mediator within twenty (20) days of the conclusion of the thirty (30) day negotiation phase, they will use a JAMS mediator.

11.12.2.3 The mediation shall take place in Atlanta, Georgia within thirty (30) days following the selection of a mediator or at a later date only upon agreement of all parties. The parties agree to mediate in good faith. If the parties are not successful in resolving the Dispute through the mediation, then either party may choose to pursue the dispute in arbitration.

11.12.3 Arbitration. Disputes that are submitted to binding arbitration shall be administered and conducted in Atlanta, Georgia under the arbitration rules and procedures of JAMS. Each party shall bear its own costs and attorneys fees. All costs and expenses of JAMS will be split evenly between the parties. The findings, the reasoning, and the decision by the arbitrator must be in writing. A judgment upon the arbitration award may be entered in any court having jurisdiction.

11.13 Section Headings. Section headings are intended only to assist in the organization of this Agreement and do not in any way limit or otherwise define the rights and liabilities of the parties.
