In the event Group changes Group Intellectual Property during the Term, Group agrees to promptly notify Bank. Bank may deduct and withhold any additional production costs that it incurs associated with any such changes to Group Intellectual Property from any Royalties due Group pursuant to this Agreement, and if the amount incurred exceeds Royalties due Group, then Group shall reimburse Bank for such costs.

(b) Bank hereby grants Group and its Affiliates a limited, non-exclusive license to use Bank Intellectual Property solely in connection with any GIP during the Term. Bank will provide Group with production ready electronic versions of Bank Intellectual Property within thirty (30) days of written request by Group. (c) Group hereby grants Bank and its Affiliates a limited, exclusive license to use the Member Database (including any updates thereto) solely in connection with the Program during the Term and in accordance with the restrictions set forth in Exhibit B. The foregoing license will remain in effect notwithstanding the transfer by Group of any right, title or interest to any third party, by operation of law or otherwise, that it has in the Member Database. Bank will not sell, license or share the information included in the Member Database with any third party other than as set forth herein and acknowledges that, except as set forth herein, the Member Database shall remain the sole property of Group (and, as applicable, its Affiliates).

(d) Group agrees that, other than the compensation set forth herein, Bank will not be required to pay any additional fees, royalties or compensation of any nature to any third party arising from or related to Bank's use of Group Intellectual Property or the Member Database (including, but not limited to marketing, production, printing or manufacturing activities) in connection with the Program. If any third party seeks to receive any such fee, royalty or compensation pursuant to an existing licensing arrangement with Group or otherwise and refuses to waive any such fee, royalty or compensation requirement which would otherwise

apply, Group agrees that Bank may deduct and withhold such amount(s) that Bank is required to pay such third party from any Royalties due to Group pursuant to this Agreement.

(e) Each Party agrees that their respective Intellectual Property, with or without other elements, shall continue to belong exclusively to each respective Party, and that neither Party may use the Intellectual Property of the other Party except as set forth in this Agreement.

10. COMPLIANCE WITH APPLICABLE LAWS

(a) The Parties agree to comply with all Applicable Laws in the performance of all actions taken in connection with this Agreement, including, but not limited to, compliance with the Credit Card Accountability Responsibility and Disclosure Act of 2009, 15 U.S.C. § 1601 et seq., including its requirements regarding the protection of young consumers; the Truth in Lending Act, 15 U.S.C. § 1650, 15 U.S.C. § 1637 as amended; and the CAN-SPAM Act of 2003, 15 U.S.C. § 7701, and their implementing regulations.

(b) In addition to, and without limiting the generality of, the foregoing:

(i) the Parties agree to comply with all employment related Applicable Laws and will not discriminate against any employee or applicant for employment because of race, color, religion, disability, sex, national origin, age, physical or mental disability, veteran status, or any other unlawful criterion and that it shall comply with all applicable laws against discrimination and all applicable rules, regulations and orders issued thereunder or in implementation thereof. If applicable, the Equal Opportunity Clauses set forth in 41 CFR Sections 60-1.4(a), 60-250.5(a), 60-300.5(a), 61-300.10 and 60-741.5(a) and the employee notice found at 29 C.F.R., Part 471, Appendix A to Subpart A are incorporated by reference herein; and

(ii) neither Party shall offer any tangible item to any college student in order to induce such student to apply for a credit card: (1) on the campus of an institution of higher education; (2) near the campus of an institution of higher education; or (3) at an event sponsored by or related to an institution of higher education. If, in Bank's assessment, the Group qualifies as an institution of higher education or affiliated organization, Bank will submit to the Board of Governors of the Federal Reserve System an annual report containing information as required in 15 U.S.C § 1637. If Group qualifies as an institution of higher education Group may have public disclosure requirements, which shall remain the sole responsibility of Group. The terms "college student," "institution of higher education" and "affiliated organization" shall have the same meaning, respectively, as those terms are defined and used in the Truth in Lending Act, 15 U.S.C. § 1650 et seq., as amended by the Credit Card Accountability Responsibility and Disclosure Act of 2009, 15 U.S.C. § 1601 et seq. (the "Credit CARD Act of 2009").

11. CONFIDENTIALITY

(a) In connection with this Agreement, Transaction, each Party may have been and may be supplied with information regarding the other Party which is nonpublic, confidential or proprietary in nature ("Confidential Information"), and which may include, but is not limited to, information about or concerning that Party's: (i) financial condition and projections; (ii) business ventures and strategic plans; (iii) marketing strategies and programs; (iv) customers and prospective customers, including Nonpublic Personal Information; (v) strategic insights and statistical models about such customers or prospective customers and their behavior; and (vi) the terms and conditions of this Agreement.

(b) Confidential Information shall be and remain, as between the Parties, the property of the respective owning/providing Party ("Providing Party") and the receiving party ("Receiving Party") shall not possess or assert any lien or other right against or to Providing Party's Confidential Information, unless Providing Party's Confidential Information has otherwise been generated or obtained by the Receiving Party, without reference to Providing Party's Confidential Information, through a separate relationship or initiative. Receiving Party shall safeguard Confidential Information using standards no less rigorous than those

maintained by Receiving Party for its Confidential Information of a similar nature, but in no event less than a commercially reasonable standard of care. No Confidential Information of either Party, or any part thereof, shall be: (i) used by Receiving Party for any purpose other than in connection with this Agreement and the Program; (ii) sold, assigned or leased to third parties by either Party; or (iii) commercially exploited by or on behalf of either Party, in each case, except as expressly permitted herein.

(c) If Receiving Party is legally compelled (whether by regulatory request, deposition, interrogatory, request for documents, subpoena, civil investigation, demand or similar process) to disclose any Confidential Information, Receiving Party shall, to the extent permitted by law, promptly notify the Providing Party in writing of such requirement.

(d) Upon the Providing Party's request or the termination or expiration of this Agreement for any reason, the Receiving Party shall, as directed by the Providing Party, either return such Confidential Information to the Providing Party or destroy such Confidential Information; however, the Receiving Party may retain a copy of any Confidential Information, including summaries, compilations or analyses thereof to the extent: (i) required by Applicable Law; (ii) required by the Receiving Party's internal document retention and governance policies; or (iii) it would be unreasonably burdensome to destroy (such as archived computer records). Any Confidential Information retained pursuant to subsections (i), (ii) or (iii) shall continue to be treated as Confidential Information subject to the restrictions set forth in this Agreement, notwithstanding any termination or expiration hereof. The return or destruction of Confidential Information shall not relieve the Receiving Party of its obligations set forth in this Agreement.

(e) Group understands and agrees that, as between the Parties, Bank will own and maintain all information that is generated by the establishment or use of Accounts or Cards, including information that is provided to Bank by Customers and by potential Customers, except for information relating to transactions for which Group is the merchant for purposes of the transaction. Such information shall be Nonpublic Personal Information that is subject to Section 12 this Agreement.

(f) The Parties each agree to establish and maintain safeguards against the destruction, loss or alteration of the other Party's Confidential Information which is in the possession or control of the Receiving Party, and that such standards shall be no less rigorous than those maintained by the Receiving Party for its Confidential Information of a similar nature.

12. NON-PUBLIC INFORMATION AND PRIVACY

(a) If Group elects to receive Nonpublic Personal Information regarding Customers from Bank, Group will, in advance to receipt of such information, agree by contract to comply with the reuse and redisclosure limitations and prohibitions of the Gramm-Leach-Bliley Act as implemented (see, e.g., 12 CFR 40.11); to maintain such information in a manner that is consistent with the objectives of the Interagency Guidelines Establishing Information Security Standards (see, e.g., 12 CFR Part 30, Appendix B); to comply with data security and reporting requirements requested pursuant to applicable Bank corporate governance documents; and to refrain from actions that would cause Bank, through Group's actions, to dishonor the privacy notice provided pursuant to the Gramm-Leach-Bliley Act, among other laws.

(b) Group agrees to provide Bank, its auditors, inspectors, regulators or representative or agents of the foregoing, access at reasonable times to facilities of Group and to its data, books and records relating to compliance with Section 12(a) of this Agreement and as otherwise required by Bank's regulators. Group agrees to cooperate with the foregoing in connection with reasonable requests made in connection with their audit and examination responsibilities. Bank, and its auditors and other representatives will comply with Group's reasonable security and confidentiality requirements provided in writing in advance to Bank. For the sake of clarity, Group is not obligated to provide Bank, its auditors, inspectors, regulators or representative or agents of the foregoing access to Group facilities, data, books and records beyond those reasonable requests related to Group compliance with Section 12(a) of this Agreement.

13. REPRESENTATIONS AND WARRANTIES

(a) Each Party represents and warrants that: (a) it has the right, power and authority to perform its obligations under, and to enter into, this Agreement; (b) it is duly organized, validly existing and in good standing under Applicable Laws; (c) no consent, approval or authorization from any third party is required in connection with its performance, delivery and execution of this Agreement, except such as have been obtained and are in full force and effect as of the Effective Date; (d) the execution, delivery and performance of this Agreement will not create a breach of, or constitute a default under, the terms of any contract or commitment to which it is bound or a violation of any Applicable Laws; (e) it owns all right, title and interest in, or is authorized to use, all Intellectual Property licensed to the other Party under this Agreement, and is authorized to provide the other Party with the license to the Intellectual Property granted pursuant to this Agreement; and (f) its use of the Intellectual Property and the granting of the license hereunder, and the other Party's use of such Intellectual Property pursuant to the terms of this Agreement, does not and shall not infringe, or constitute an infringement or misappropriation of, any Intellectual Property rights of a third party.

(b) Group further represents and warrants that it owns all right, title and interest, or is authorized to use, the Member Database licensed to Bank under this Agreement, and that Group is authorized to provide Bank with the license to the Member Database granted pursuant to this Agreement.

14. INDEMNITIES

(a) Bank will indemnify, defend and hold harmless Group, its Affiliates and their respective officers, directors, employees, successors and permitted assigns, from and against any Losses incurred by the foregoing indemnified parties attributable to third party claims relating to or incurred as a result of: i) any breach of Bank's obligations under this Agreement; and ii) the breach or inaccuracy of a representation or warranty made by Bank under this Agreement.

(b) Group will indemnify, defend and hold harmless Bank, its Affiliates and their respective officers, directors, employees, successors and permitted assigns, from and against any Losses incurred by the foregoing indemnified parties attributable to third party claims relating to or incurred as a result of: i) any breach of Group's obligations under this Agreement; ii) the breach or inaccuracy of a representation or warranty made by Group under this Agreement; and (iii) any claim of infringement or misappropriation alleged to have occurred based on the Group Intellectual Property or the Member Database.

(c) The indemnification obligations set forth herein are contingent on the Party seeking indemnification: (i) giving the indemnifying Party prompt written notice of any such claim, and (ii) providing, at the indemnifying Party's expense, reasonable cooperation in the defense of such claim and all related settlement negotiations. The indemnified party shall have the right to participate in the defense and all related settlement negotiations with its own counsel, at its own expense.

15. LIMITATIONS OF LIABILITY

NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY OR TO ANY THIRD PARTY, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), WARRANTY OR OTHERWISE, FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS) ARISING OUT OF OR RELATING TO THIS AGREEMENT, EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

16. TERM AND RENEWAL

The Term of this Agreement shall commence on the Effective Date and remain in effect until January 20, 2016 (the "Initial Term"), unless terminated earlier or extended in accordance with this Agreement. The Term will be extended automatically for unlimited renewal terms of two (2) years each (each, a "Renewal Term"), unless either Party terminates the Agreement with at least one hundred eighty (180) days written notice prior to expiration of the Initial Term or a Renewal Term, as applicable. The Initial Term and any Renewal Term shall be defined collectively as the "Term."

17. TERMINATION

(a) Either Party may terminate this Agreement by providing sixty (60) days prior written notice if the other Party is in material breach of this Agreement and such breach has not been cured to the reasonable satisfaction of the terminating Party within sixty (60) days of receiving such notice. Such notice shall include a reasonably detailed description of the circumstances giving rise to the terminating Party's claim that the Agreement has been materially breached.

(b) Either Party may terminate this Agreement, as of the date specified in a notice of termination, in the event that the other Party engages in fraud, willful misconduct or gross negligence in the performance of its obligations under this Agreement.

(c) If an event of Force Majeure substantially prevents, hinders or delays performance by either Party for more than one (1) month, the other Party may terminate this Agreement as of the date specified in a notice of termination sent to the non-performing Party.

(d) Either Party may terminate this Agreement if either Party: i) files a petition in bankruptcy; ii) has an involuntary petition in bankruptcy filed against it which is not challenged within twenty (20) days and dismissed within sixty (60) days; iii) becomes insolvent; iv) makes a general assignment for the benefit of creditors; v) admits in writing its inability to pay its debts as they mature; vi) has a receiver appointed for its assets; vii) has any significant portion of its assets attached; viii) experiences a material negative change in its net assets (i.e., total assets minus total liabilities); or ix) plans a company closure.

(e) Bank may terminate this Agreement if: i) another entity, directly or indirectly, in a single transaction or a series of related transactions, acquires Control of Bank or Capital One Financial Corporation ("COFC") or all or substantially all of the assets of Bank or COFC; or ii) Bank is merged with or into another entity, by giving Group written notice designating the date on which termination shall be effective.

(f) Bank may terminate this Agreement in the event that any material change in Applicable Laws makes the performance of this Agreement unduly burdensome by providing Group with sixty (60) days prior written notice that includes a reasonably detailed description of the change in Applicable Laws and its impact on Bank.

18. EFFECT OF TERMINATION

Upon expiration or termination of this Agreement by either Party:

(a) Bank will retain all right, title and interest in the Accounts and any pending applications submitted by Members prior to such termination or expiration (including, without limitation, all Customer data and other information related to such Accounts and applications for Accounts). Bank will continue to service and administer all Accounts and will continue to pay all Royalties payable to Group pursuant to this Affinity Agreement on any Card Account opened under this Agreement until such Card Account's expiration or the cessation of use of such Card Account by Bank;

(b) the Parties agree to cease using the other Party's Intellectual Property and to destroy all marketing materials associated with the Program. Notwithstanding the foregoing, Bank may continue to use the Group Intellectual Property solely as it relates to Cards that have been issued prior to the expiration or termination of this Agreement until the expiration date on each Card. In the alternative, Bank may, in its sole discretion, and on an Account by Account basis, reissue each Card with a standard Bank design credit Card.

(c) the termination or expiration of this Agreement will not terminate, affect or impair any rights, obligations or liabilities of either Party which may accrue prior to such termination or which, under the terms of this Agreement, continue after termination;

(d) any communication of a Party to be sent to any Member(s) or Customer(s) regarding termination of the Program or referencing or using any Trademark(s) of the other Party will be subject to its prior review and written approval, which shall be provided within five (5) business days of receipt of the proposed communication; if written approval (via e-mail or otherwise) is not provided within this period, each Party agrees that approval will be deemed automatically and that the sending Party may proceed with the communication; and

(e) for a period of one year, Group agrees that it will not, either directly or indirectly, through an Affiliate or other third party, specifically target Customers to offer any products that are the same or similar to the Financial Services Products provided by Group, its Affiliates or a third party provider. The foregoing restriction will not prevent Group from offering financial service products as part of a general solicitation to all of its Members. Group acknowledges that a breach of the foregoing restriction on specifically targeting Customers would constitute a breach of its obligations set forth in Section 11.

19. GOVERNING LAW AND JURISDICTION

This Agreement will be governed by and construed in accordance with the laws of the State of Iowa, without reference to the choice of law principles thereof. Each Party hereby irrevocably and unconditionally: (a) agrees that any action, suit or other legal proceeding brought in connection with or relating to this Agreement or any matter contemplated hereby shall be brought in a court of competent jurisdiction located in Des Moines, Iowa; (b) consents and submits to, and agrees that it will not assert (by way of motion, as a defense or otherwise) that it is not subject to, personal jurisdiction in connection with any such action, suit or proceeding in any such court; and (c) waives to the fullest extent permitted by Applicable Law, and agrees that it will not assert (by way of motion, as a defense or otherwise), any claim that the laying of venue of any such action, suit or proceeding in any such court is improper or that any such action, suit or proceeding brought in any such court was brought in an inconvenient forum. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING (WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF, OR RELATED TO, THIS AGREEMENT.

20. PUBLICITY AND NON-DISPARAGEMENT

Except as required under Applicable Laws, all press releases, public announcement and public disclosures of any nature by either Party relating to the Program or this Agreement shall be coordinated with and approved by the other Party, which approval shall not be unreasonably held, prior to release.
