Jane:

Please see the attached correspondence regarding UGI's use of the "highly confidential" designation. It has become a burden to us and we believe it is unnecessary given the "state" of the industry.

Please let me know your client's position on this. Also, I owe you a call regarding the hearing, which has been quite an "event."

I also assume you saw the filing today regarding Radian's counsel. The CFPB at its finest.

Please give me a call to discuss this and the hearing. I would prefer to resolve this designation issue between us.

Dave
