

Office of Women & Minority Inclusion

Consciously including everyone.

The Consumer Financial Protection Bureau (CFPB) cordially invites you to attend the **"OMWI Supplier Diversity Procurement Workshop"** on **August 26, 2015** from 1:30pm – 3:30pm at our Washington, DC headquarters office.

CFPB understands identifying the most qualified and innovative firms will not only yield us better products and services, but can also help save taxpayers' dollars. We want to make sure we have the tools and resources in place to encourage all qualified firms, including minority-owned, women-owned and small businesses to be able to contract with us. This workshop is designed to give businesses, especially minority-owned, women-owned, and small businesses a better understanding of CFPB, the Federal contracting processes, available resources, marketing tips and more!

To register please email CFPB_OMWI@cfpb.gov with your name, title, company, phone number, business size / socio-economic status, email address and any reasonable accommodations required. Seating is limited, so only 2 workshop participants per company are permitted. Each registered participant will receive a confirmation email with workshop details, location, security requirements and other pertinent information.

Please feel free to contact us at CFPB_OMWI@cfpb.gov. For more information about doing business with the CFPB, please visit www.consumerfinance.gov/doing-business-with-us.

We look forward to seeing you soon at the CFPB.
