

Director's Financial Analyst

Are you an analytical thinker with a passion for public service? The Consumer Financial Protection Bureau (CFPB) may be the right fit for you!

About the CFPB

The central mission of the CFPB is to make markets for consumer financial products and services work for Americans, and to empower consumers to take more control over their economic lives.

Your impact

- Contribute through data and policy analysis, structured thinking, and problem-solving.
- Help frame and influence substantive policy choices and agency-wide strategy.
- Spend two years rotating through various CFPB departments.
- Complete rotation assignments including conducting cutting-edge economic research, developing tools to engage and educate consumers, and tracking consumer trends within the product markets we regulate.
- Drive innovation through data analysis, which serves as the foundation of Bureau activities.
- Communicate to senior leaders across the Bureau through written and oral presentations.

What you'll get

- Grow your professional brand and position yourself for long-term success through exposure to many aspects of a growing agency.

- Graduates of the program have gone on to:
 - Private Industry (Amazon, Uber, Wells Fargo, Deloitte)
 - Public Sector (Department of the Treasury, Federal Reserve Bank of New York)
 - Grad School (Yale Law School, Harvard Business School, Columbia Economics Ph.D. program)
- Make a mark on history with lasting policy impact.
- Enjoy compensation competitive with the private sector along with some of the best benefits government has to offer.
