YOUR CARDMEMBER AGREEMENT

WELCOME TO YOUR ACCOUNT.

Review and save the following important information about your account. This document together with the Rates and Fees Table is an agreement between you, the cardmember, and Chase Bank USA, N.A., a subsidiary of JPMorgan Chase & Co. If you have any questions, please call us using the number on the back of your card. Chase has agreed to lend you money as described in this agreement, and you agree to pay us back together with interest charges and fees. Your use of the account or any payment on the account indicates your acceptance of the terms of this agreement. If any fee in the Rates and Fees Table is marked none, the section of this agreement that relates to that fee does not apply.

GETTING STARTED: YOUR ACCOUNT

Get acquainted with your account by reviewing the important terms below.

IMPORTANT TERM	WHAT IT MEANS TO YOU	OUR RESPONSIBILITY
Credit Limit	You are responsible for the total balance at all times, even if your balance exceeds your credit limit.	We will post your current credit limit on your monthly billing statement, and may cancel, change or restrict it or your credit availability at any time. We are not obligated to allow your account to go over its credit limit.
Authorized Users	You are responsible for any use of your account by an authorized user or anyone else that you permit to use your account. You must notify us if you want them to stop using your account. You also are responsible for getting any cards, checks or other means of accessing your account from the authorized user.	If you request, we may issue cards that access your account to your authorized users. If you wish to terminate an authorized user, we may close your account and open a new account with a different account number.
Annual Membership Fee	If your account has an annual fee, you are responsible for it every year your account is open or until your account is closed and paid in full. Your monthly billing statement will tell you how to cancel your account and avoid future annual fees.	If your account has an annual fee, we will add your annual fee to your monthly billing statement once a year, whether or not you use your account. Your annual fee will be added to your purchase balance and may incur interest.
Amendments	We may change the terms of this agreement including APRs and fees from time to time. We may also add new terms or delete terms. APRs or other terms may also change without amendment, for example when the Prime Rate changes. See the Variable Rate section for details.	Our ability to make changes to this agreement is limited by applicable law.

IMPORTANT DEFINITIONS

TERM	WHAT IT MEANS
Cash-like Transactions	The following transactions will be treated as cash advances: purchasing travelers checks, foreign currency, money orders, wire transfers or similar cash-like transactions; purchasing lottery tickets, casino gaming chips, race track wagers or similar betting transactions; and making a payment using a third party service.
Payment Due Date	Payments are due on the payment due date shown on your monthly statement. The monthly statement also explains when the payment must reach us in order to be considered received as of that date. Payments received after the required time will be credited on the next business day.
Variable Rate	We calculate variable APRs by adding a margin to the highest U.S. Prime Rate published in the Money Rates section of <i>The Wall Street Journal</i> two business days (not weekends or federal holidays) before the closing date shown on your billing statement. The APR may increase or decrease each month if the Prime Rate changes. Any new rate will be applied as of the first day of your billing cycle during which the Prime Rate has changed. If the APR increases, you will pay a higher interest charge and may pay a higher minimum payment. The Prime Rate is simply a reference index and is not the lowest interest rate available. If <i>The Wall Street Journal</i> stops publishing the Prime Rate, we will select a similar reference rate.
Default	Your account will be in default if: 1) You do not pay at least the minimum payment when due; 2) You exceed your credit limit; 3) You fail to comply with this or other agreements with us or one of our related banks; or 4) We believe you may be unwilling or unable to pay your debts on time; you file for bankruptcy; or you become incapacitated or die. If your account is in default, we may close it without notice and require you to pay your unpaid balance immediately. We can also begin collection activities. To the extent permitted by law, if you are in default because you have failed to pay us, we will require you to pay our collection costs, attorneys' fees, court costs, and all other expenses of enforcing our rights under this agreement.

USING YOUR CARD

You can use your account in the following ways. Your account is to be used only for personal, family or household purposes. You cannot use your account for illegal purposes, such as Internet gambling and writing checks against uncollected funds.

TRANSACTIONS	WHAT IT MEANS TO YOU	OUR RESPONSIBILITY
Purchases	You may use your account to buy goods and services.	We authorize charges to your account in accordance with the terms of this agreement.
Balance Transfers	If eligible for a balance transfer, you can transfer balances to your account by using balance transfer checks, visiting our website or calling us.	We permit balance transfers from most non-Chase accounts. We do not permit balance transfers from other accounts or loans with us or any of our related banks.
Cash Advances	You may obtain cash from automatic teller machines, at banks or by using cash advance checks. Unless we say otherwise, balance transfer checks or promotional checks made payable to cash or yourself will be treated as cash advances.	We treat certain other transactions as cash advances. See the Cash-like Transactions section under Important Definitions above.
Checks	For your protection, balance transfer and cash advance checks must be signed by the person whose name is printed on the checks.	We may provide balance transfer checks and cash advance checks for your use; we have the right not to pay a check for any reason.
Automatic Charges	You may set up scheduled and repeat transactions to your account. If your account is closed or suspended, or your account number changes, you will need to contact any persons that you are paying by automatic transactions.	We are not responsible for scheduled and repeat transactions if your account is closed, suspended or the account number changes.
Promotions	You may receive special offers related to your account.	Any special offer is subject to this agreement, unless explained otherwise.

Foreign Transaction Fee and Exchange Rate	<p>There is a fee, unless “None” is stated in the Rates and Fees Table, for transactions that are made in a currency other than U.S. Dollars. Our fee is a percentage of the U.S. Dollar amount of the transaction. Please see the Rates and Fees Table for the amount of this fee, if any.</p>	<ul style="list-style-type: none"> • If a transaction is in a foreign currency, Visa International or MasterCard International will convert the transaction into U.S. dollars using their own currency conversion procedures, and then will send us the transaction amount. The exchange rate will be determined using either the range of rates available in the wholesale currency markets for the processing date (which may be different from the rate the card association receives) or a government-mandated rate in effect on that date. The exchange rate used by Visa or MasterCard may differ from the rate on the date of your transaction. • In the case of returned or exchanged merchandise that was purchased in a foreign currency, the exchange rate is determined on the date of the return.
Authorization of Transactions / Closing Your Account	<p>We are not obligated to honor every transaction, and we may close or suspend your account. Sometimes we close accounts based not on your actions or inactions, but on our business needs.</p>	<p>We may decline transactions for any reason, including: operational matters, the account is in default, or suspected fraudulent or unlawful activity. We are not responsible for any losses associated with a declined transaction.</p>

PAYING US BACK

You will receive a billing statement, if one is required, each month. It will show your minimum required payment. After you make a payment, it may take up to 15 days to restore available credit on your account.

IMPORTANT INFORMATION	WHAT IT MEANS TO YOU	OUR RESPONSIBILITY
<p>Payment Instructions</p>	<p>You must follow the payment instructions on your billing statement. You can pay us by: check, money order, or electronic payment drawn on a U.S. bank or a foreign bank branch in the U.S. All payments must be in U.S. Dollars. You authorize us to collect any payment check either electronically or by draft. Payments marked “paid in full” must be sent to the Conditional Payments address shown on your billing statement. See your billing statement for complete payment instructions.</p>	<p>As long as you make your payment in accordance with the instructions on your billing statement by the date and time payments are due, we will credit your payment as of the same day it is received. We may accept and process any payments marked as “paid in full” without losing our rights.</p>
<p>Minimum Payment</p>	<p>You agree to pay at least the minimum payment when due. You also agree to pay overlimit amounts when billed to your monthly statements or sooner if we ask. Minimum payments may include specific fixed payments that are part of special promotions. You can pay down balances faster by paying more than the minimum payment or the total unpaid balance on your account.</p>	<p>We will calculate your minimum payment based on the method described below the Rates and Fees Table. The minimum payment will appear on your monthly statement and includes any past due amounts.</p>
<p>Interest-Free Period (also called Grace Period) on Purchases</p>	<ul style="list-style-type: none"> • The interest-free period is the time when you are not charged interest on new purchases. • Your account is in an interest-free period when you pay your New Balance as shown on your statement every month by the due date and time. During this period, you will not pay interest on purchases. • Balance Transfers, Checks and Cash Advances do not have an interest-free period. 	<ul style="list-style-type: none"> • We do not charge interest on any part of the purchase balance that you pay while your account is in an interest-free period. • We charge interest on purchases from the date the transactions appear on your account (until the balance is paid in full) when your account is not in an interest-free period. • For more details about how we calculate your interest charges, see the Interest Charges section of this agreement.

Payment Allocation	<ul style="list-style-type: none"> • When you make a payment, generally, we first apply your minimum payment to the balance on your monthly statement with the lowest APR. • Any payment above your minimum payment would generally then be applied to the balance on your monthly statement with the highest APR first. • If you do not pay your balance in full each month, you may not be able to avoid interest charges on new purchases. 	<p>We apply payments to balances as they appear on your monthly statement before being applied to new transactions. An example of a new transaction is a recent purchase you made that has not yet been included in the New Balance as shown on your statement.</p>
Credit Balances	<p>You may request a refund of any credit balance.</p>	<p>If you do not request a refund, we will apply any credit balance to new charges on your Account. If a credit balance remains on your account for 6 months and the amount is \$1 or more, we will automatically refund it to you. If your credit balance is less than \$1, it will be removed from your account but we will send the credit balance to you if you ask us to do so.</p>

“HOW TO AVOID...”

Certain transactions and situations may cause your account to receive a fee or have another impact on your account. The information below explains how you can avoid these outcomes. Amounts of these fees are listed in the Rates and Fees Table. The Rates and Fees Table indicates amounts “up to” certain limits for penalty fees because applicable law may restrict our ability to impose the full amount of the penalty fee in some circumstances. See the “Penalty Fees” provision below the Rates and Fees Table for additional detail reflecting limitations imposed under applicable law. Special services you request may incur additional service fees; be sure to carefully review the details of any additional services to understand the terms.

“HOW TO AVOID...”	WHAT TO DO	WHAT IT MEANS
Late Fee	Ensure Chase receives at least the minimum payment shown on your billing statement when due.	If any payment is late, we may charge you a late fee. If the fee is based on a balance, we calculate the fee using the total balance at the end of the day the fee is charged.
Over-the-Credit-Limit Fee	Ensure your total balance stays below your credit limit.	If you agree to allow us to charge overlimit fees, we may charge such a fee when your account balance goes over limit. We may charge this fee even though your balance is over limit because of a transaction we allowed. You may withdraw your consent to our charging overlimit fees at any time.
Return Check Fee	Do not stop payment on cash advance and balance transfer checks, and do not default.	We may charge a return check fee if we stop payment on a cash advance check or balance transfer check at your request, or we refuse to pay a cash advance check or balance transfer check for any reason, including because your account is in default.
Return Payment Fee	Do not submit a payment that could be returned unpaid.	We may charge this fee if the payment you offer to us is not honored, is returned unpaid, or cannot be processed.
Collections	Do not default.	If you are in default, we may take the actions described above in the Default section under Important Definitions above.

Military Lending Act Notice

Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). If you are covered by the Military Lending Act, notwithstanding anything to the contrary in this Agreement, to the extent required by the Military Lending Act, nothing in this agreement will be deemed a waiver of the right to legal recourse under any otherwise applicable provision of state or federal law. To receive this information and a description of your payment obligation verbally, please call 1-800-235-9978.

INTEREST CHARGES

Daily Interest Rates and Annual Percentage Rates may be found on the Rates and Fees Table.

Periodic Interest Charge Calculation—Daily balance method (Including new transactions):

We calculate a daily balance for each type of transaction and use the daily balances to determine your interest charges.

We figure the “daily balance” for each transaction type as follows:

- We take the beginning balance for each day and add
 - any interest charge from the prior day (known as compounding of interest) and
 - any new transactions or other debits (including Annual Membership Fees, transaction fees, Penalty Fees, any other fees and unpaid interest charges).
- We subtract payments or credits, and treat any net credit balance as a zero balance.
- The result is the daily balance for each type of transaction.

We figure the interest charges on your account as follows:

- To get the daily interest rate for each type of transaction we divide the APR by 365. We may combine different transaction types that have the same daily interest rates.

- We multiply the daily interest rate by the daily balance for each transaction type for each day in the billing cycle.
- We add together the interest charges for each day in the billing cycle for each transaction type.
- If any interest charge is due, we will charge you at least the minimum interest charge shown on the Rates and Fees Table.

We add transactions and fees to your daily balance no earlier than:

- For new purchases, balance transfers or cash advances – the date of the transaction.
- For new cash advance checks or balance transfer checks – the date the payee deposits the check.
- Fees – either on the date of a related transaction, the date they are posted to your account, or the last day of the billing cycle, whichever we may choose.

The Balances Subject to Interest Rate for each type of transaction shown on your billing statement is the sum of the daily balances for that type of transaction divided by the number of days in the billing cycle. We may use mathematical formulas that produce equivalent results to calculate the Balance Subject to Interest Rate, interest charges and related amounts.

YOUR BILLING RIGHTS: KEEP THIS DOCUMENT FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If you think there is an error on your statement, contact us *in writing* at the Customer Service address or *electronically* at the website address as shown on your billing statement. In your communication, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing or electronically*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Written or Electronic Communication

When we receive your communication, we must do two things:

1. Within 30 days of receiving your communication, we must tell you that we received it. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your communication, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must contact us *in writing or electronically* within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* ~~to~~ the Customer Service address *or electronically* at the website address shown on your billing statement. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

BLUEPRINT RULES

Chase credit cards may come with an optional set of features called Blueprint. Blueprint is offered at the sole discretion of Chase Bank USA, N.A., the issuer of your credit card, who may be referred to in these Rules as *we*, *us* and *our*. The following information is intended to help you understand how the program helps you manage your spending and borrowing and is a separate agreement that is not part of your cardmember agreement.

IMPORTANT PAYMENT INFORMATION

To keep your account current, you must always make your required minimum payment by the payment due date.

If you use Blueprint, your statement will show your minimum payment and Blueprint payment amounts. Paying your Blueprint payment by your payment due date satisfies your required minimum payment and ensures you make progress on your Blueprint plans.

If you do not pay your optional Blueprint payment, you must still pay at least your required minimum payment in order to avoid a late fee and/or penalty increases to your APRs. By making only the minimum payment you will not get the benefits of your Blueprint plans, such as paying off the amount as fast as planned or avoiding interest where applicable.

In general, payments over your required minimum payment are credited to balances with the highest APRs first. This may affect the amount of any payment applied to Blueprint balance(s). For example, if you have a cash advance balance at a higher APR than the APR associated with your Blueprint plan balance, we will apply any payment amount above the required minimum payment to the cash advance

balance first. If this occurs, we will notify you through Blueprint feature messages on your statement and online. For Full Pay, this may result in interest on your Full Pay purchases. For Finish It and Split, this may change the number of payments in your plan, but your payment amount will remain the same.

FULL PAY

Full Pay lets you select categories of purchases to be paid in full each month. When you pay off the selected category purchases in full each month, they will not be charged interest, even when you carry a balance. Any Full Pay balances that are not paid in full each month will be charged interest from the first day following the billing cycle in which they are put on your account. We will tell you about any limits when you sign up for Full Pay, including, but not limited to, individual purchase transaction amounts, maximum amounts that can be included in Full Pay for each billing cycle and categories available for selection.

TRACK IT

Track It allows you to view your credit card account spending history online with the option to create a budget for the categories you want to track more closely.

CATEGORIES

Both the Full Pay and Track It Blueprint features use purchase categories to group transactions together. The categories are based on codes assigned to merchants who accept Visa/MasterCard credit cards depending on the kinds of products and services they sell. We group similar merchant codes for purposes of creating categories you can select from. Every effort is made to include all relevant merchant codes in our categories. However, it is possible that even though a merchant or the items it sells may appear to fit within a particular category, the merchant may not have a code that falls within our category. In these

cases, purchases with that merchant will not be included in the category. The categories for both Full Pay and Track It are similar; however, the merchants within each of the Track It categories may not be aligned to the same categories offered in Full Pay.

FINISH IT AND SPLIT

Finish It and Split let you create plans to pay off certain amounts on your account. With Finish It, you can pick a portion of your account balance; Split lets you select a specific purchase to pay off.

For both Finish It and Split, you can then pick a monthly payment amount or a certain number of months to pay it off. The number of months you can take to pay off your Finish It or Split balances may be limited. We will tell you about any limits when you sign up.

GENERAL PROGRAM INFORMATION

You may receive promotional Blueprint offers from time to time, at which point any rules associated with these offers will be provided.

We may cancel, suspend or change these Rules and your use of Blueprint in whole or in part at any time and for any reason without prior notice including, but not limited to, when your credit card account is in default or if you do not make Blueprint payments.
