# Academic Research Council

JULY 27, 2012 MEETING SUMMARY

Consumer Financial  
Protection Bureau

## **July 27, 2012**

The Office of Research convened the Academic Research Council on Friday July 27, 2012 for its inaugural meeting. Council members met with CFPB Director Richard Cordray, Deputy Director Raj Date and Office of Research staff. Senior Office of Research staff described the structure of the CFPB, the role of the Office of Research within the Bureau, and research-related resources. Council members provided feedback on the important areas for future research, data collection strategies, and outcome measures for assessing the effect consumer financial products have on consumer well-being.
