Creating a song about saving

Saving money doesn't have to be hard. One easy way to remember to save money is to sing a short song about it.

Writing your savings song

Follow each step to create a song about saving.

Step 1. Choose a savings tune

Choose which tune you want to use for your song or make up your own tune.

- "Row, Row, Row, Your Boat"
- "Twinkle, Twinkle, Little Star"
- "Are You Sleeping/Frère Jacques"
- Your own tune

Step 2. Choose savings words

Choose three words about saving money to use in your song. You also can pick your own savings words (and write them on the lines).

- | | |
|---|--------------------------------|
| <input type="checkbox"/> Save/saving | <input type="checkbox"/> Gift |
| <input type="checkbox"/> Goal | <input type="checkbox"/> Job |
| <input type="checkbox"/> Piggy bank | <input type="checkbox"/> _____ |
| <input type="checkbox"/> Money | <input type="checkbox"/> _____ |
| <input type="checkbox"/> Spend/spending | <input type="checkbox"/> _____ |

Step 3. Choose rhyming words

Write your three savings words in the first column. In the second column, write some words that rhyme with your savings words.

Savings words	Rhyming words
1.	1.
2.	2.
3.	3.

Step 4. Put it all together

Write your song. Your song should:

- Use the tune you picked.
- Include your three savings words and the three rhyming words. Remember you don't have to use all your words in your song. Choose the ones that fit best.
