# Exploring entrepreneurship

Being an entrepreneur means you start your own business and earn money from the product or service your company provides.

When you have your own business, you're responsible for making it successful so that you can make enough money to pay yourself and any people who may work for you.

## Instructions

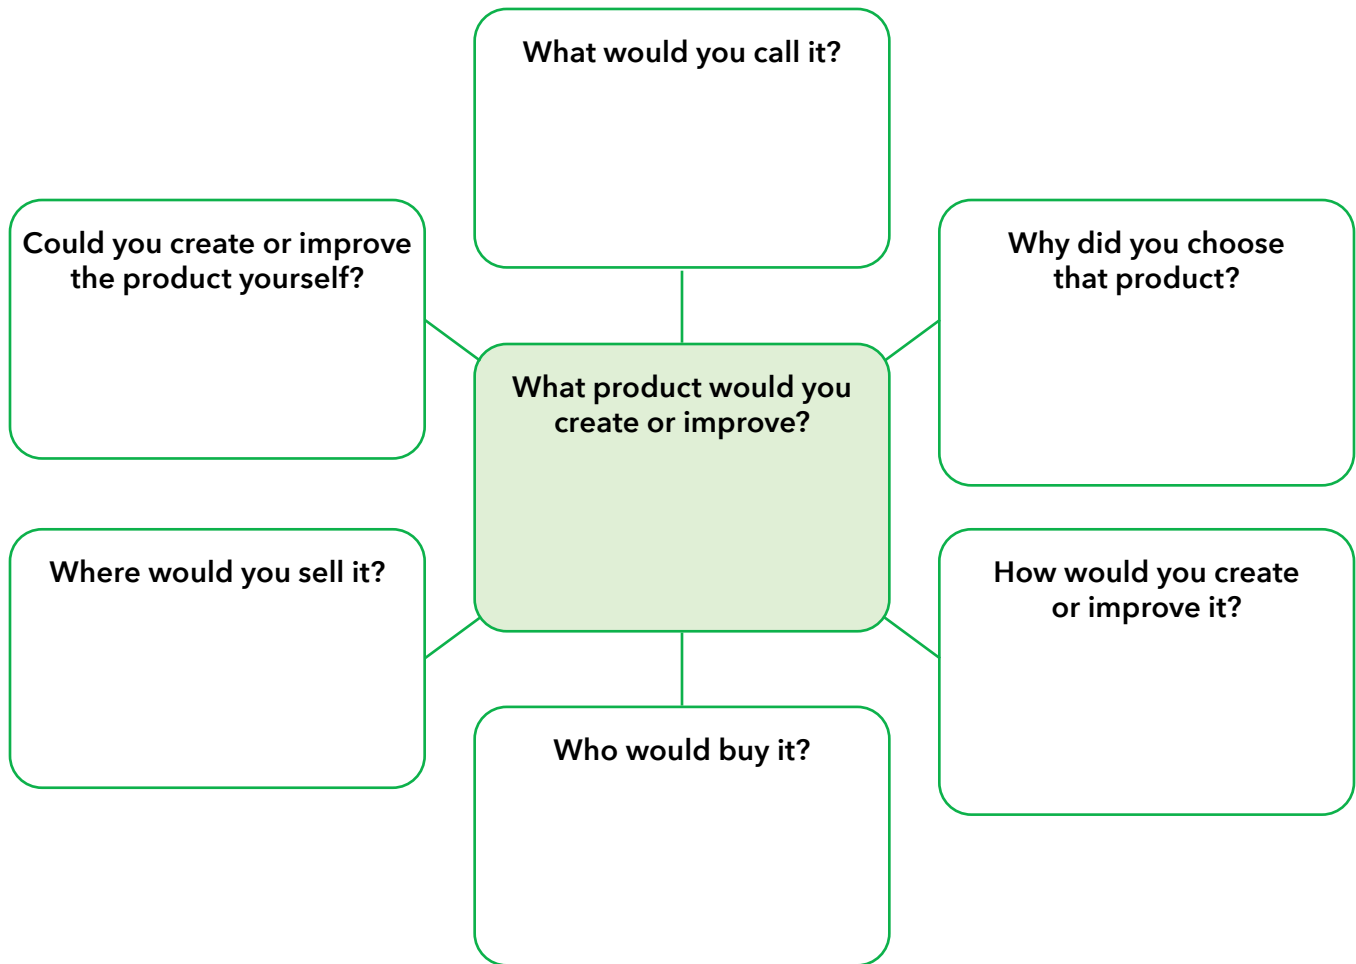

- 1 Work with your partner or group to think of two or three products that you'd like to create or improve and write them in the spaces below.
- 2 Choose one product and write it in the mind map's middle space.
- 3 Answer the questions in the rest of the mind map.
- 4 Answer the reflection questions on your own.
