

BUILDING BLOCKS STUDENT WORKSHEET

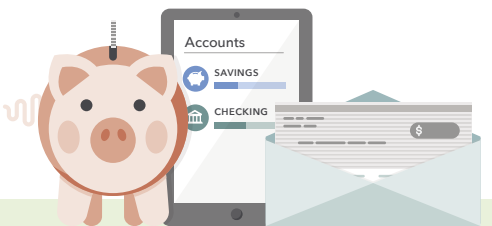

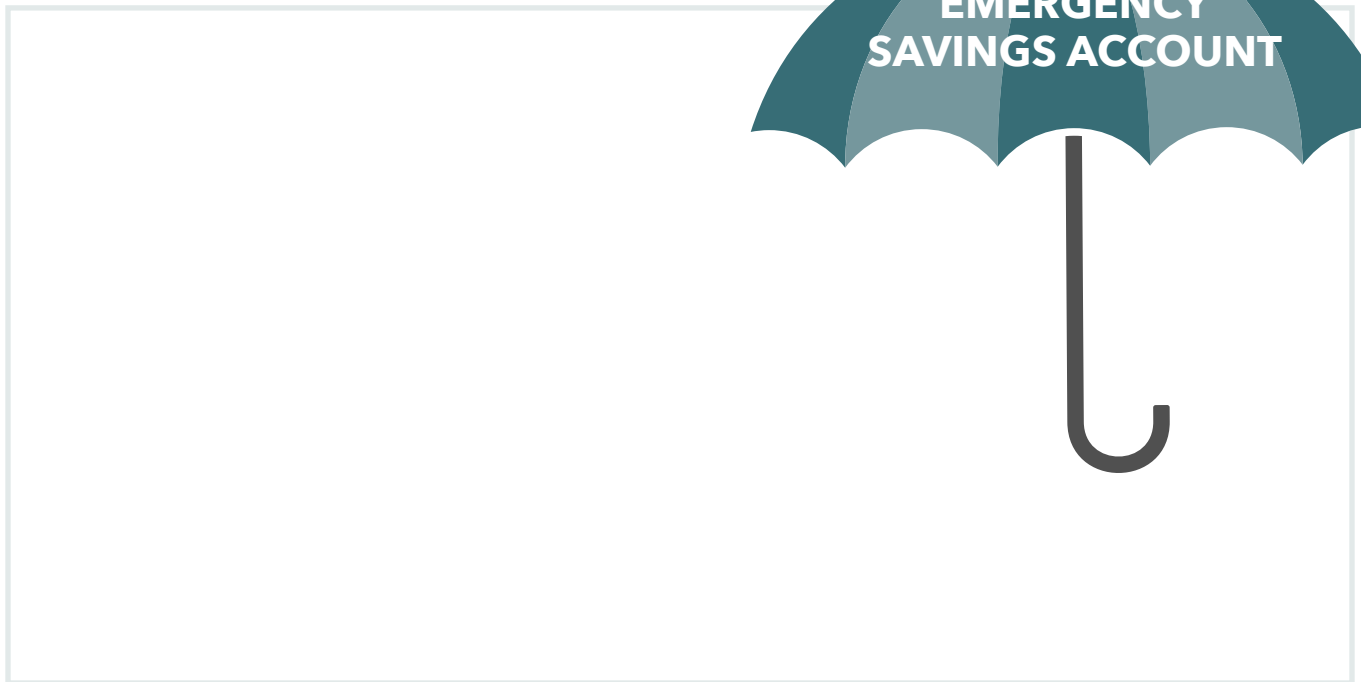

Saving for a rainy day

You'll probably experience some type of emergency in your life. A broken bone, a broken cell phone, or a car repair can be both unplanned and expensive. Having an emergency savings account can help make these kinds of situations easier to manage.

Instructions

- 1 Think of two to five unexpected expenses that you'd likely need to pay for with an emergency savings account.
- 2 Draw pictures representing those expenses in the box with the umbrella.
- 3 Answer the reflection questions.

Being prepared for unexpected expenses

Reflection questions

1. Why is an umbrella a good image to use to represent an emergency savings account?
2. Why is it important to save money for an unexpected expense?
3. What are some ways you can save money in case of an unexpected event?
