

 MIDDLE SCHOOL FINANCIAL CAPABILITY SURVEY

# Map your money journey - Middle school

Managing money is an important skill for everyone to have. Take this survey to find out where you are today and then plan your financial future.

## Survey instructions

Here's what you do:

- Answer 20 questions as honestly as you can. Your answers will be private.
- Find out about your current money smarts and skills.
- Explore things you can do to manage your money better.

## Part 1

How much do you agree or disagree with each of the statements below?

	Agree	Mostly agree	Mostly disagree	Disagree	I don't know
1. Before I do something, I think about the good and bad things that can happen.					
2. I can stick to my plans and goals.					
3. I often think about what will happen in the next few days or weeks.					
4. I set goals for what I want to do or have a few years from now.					
5. I would rather save my money for something I might need later than spend it on something fun now.					
6. I spend more time on what I have to do (like homework) than on things I want to do (like playing games).					

## Part 2

How much do you agree or disagree with each of the statements below?

	Agree	Mostly agree	Mostly disagree	Disagree	I don't know
7. I can control the way I act.					
8. I can solve hard problems or puzzles if I keep working on them.					
9. I think saving money is something both kids and adults should do.					
10. I don't have to buy things my friends have.					
11. I don't need to have a lot of money and expensive things.					
12. I plan for how I'll spend my money.					
13. I'm good at keeping track of how much money I have and spend.					
14. I can reach my money goals.					

## Part 3

How much do you agree or disagree with each of the statements below?

	Agree	Mostly agree	Mostly disagree	Disagree	I don't know
15. Before I buy something that costs a lot, I learn about my options to find the one that's right for me.					
16. I know how to protect my money from being lost or stolen.					
<b>Compared to others my age:</b>					
17. I know more about how to save money.					
18. I know more about how to spend money within a budget.					
19. I know more about how to borrow money and pay it back.					
20. I know more about how to make money by doing jobs, chores, or other things.
