Civil Penalty Fund

The Dodd-Frank Act authorizes the CFPB to collect for specified purposes civil penalties it obtains in judicial and administrative actions under federal consumer financial laws. The CFPB is authorized to use these funds for payments to victims of activities for which civil penalties have been imposed and may also use the funds for consumer education and financial literacy programs to the extent that such victims cannot be located or payments to them are otherwise not practicable. As directed by the Dodd-Frank Act, the CFPB maintains a separate account for these funds at the Federal Reserve Bank of New York.

Civil Penalty Fund Allocations in FY 2021

Period 16: April 1, 2020 – September 30, 2020

On November 27, 2020, the Bureau made its sixteenth allocation from the Civil Penalty Fund. As of September 30, 2020, the Civil Penalty Fund contained an unallocated balance of \$565,384,178.⁵ The Fund Administrator set aside \$2,000,000 to cover administrative expenses associated with distributing funds to harmed consumers, reducing the amount available for allocation to \$563,384,178.

A civil penalty was imposed in 21 cases with final orders from Period 16. Under the Civil Penalty Fund rule, victims of the violations for which these civil penalties were imposed are eligible for compensation from the Civil Penalty Fund. Of those 21 cases, six had classes of eligible victims with uncompensated harm that was compensable from the Civil Penalty Fund. Five of those six cases, Main Street Personal Finance, Inc., et al.; Certified Forensic Loan Auditors, LLC, et al.; Timemark Solutions, Inc., et al., GST Factoring, Inc., et al.; and Premier Student Loan Center, et al., received an allocation during this period. The remaining case, Chou Team Realty, et al. did not receive an allocation this period.

The allocations for each case are as follows:

- The Main Street Personal Finance, Inc., et al., case received an allocation of \$1,540,517 from the Civil Penalty Fund. The class of victims who have received an allocation are certain Mississippi based consumers who, from October 1, 2016 to June 2, 2020, received deceptive finance charge disclosures.
- The Certified Forensic Loan Auditors, LLC, et al., case received an allocation of \$3,000,000 from the Civil Penalty Fund. The class of victims who have received an allocation are consumers who, between July 1, 2014 and July 20, 2020, purchased mortgage assistance relief services from defendants. This allocation fully compensates the uncompensated harm in this case, including the final order from Period 15 for which an allocation was deferred pending resolution with additional defendants.
- The Timemark Solutions, et al., case received an allocation of \$3,762,360 from the Civil Penalty Fund. The class of victims who have received an allocation are consumers who, between 2016 and October 2019 paid the defendant for debt-relief services.

⁵ The unallocated balance amount does not include \$10,693,571 in funds that were collected pursuant to two orders that were pending appeal and were thus not yet “final orders” as defined in 12 C.F.R. § 1075.101. Those funds were therefore not available for allocation under 12 C.F.R. § 1075.105(c). The amount includes \$2,017,193 that was sequestered during fiscal year 2020. The sequestration amount was not available for allocation during fiscal year 2020 but was available to the Bureau in fiscal year 2021.

- The GST Factoring, Inc., et al., case received an allocation of \$11,718,432.41 from the Civil Penalty Fund. The class of victims who have received an allocation are consumers who, between 2015 and 2020, paid unlawful advance fees for debt relief services to the defendants.
- The Premier Student Loan Center, et al., case received an allocation of \$89,366,096 from the Civil Penalty Fund. The class of victims who have received an allocation are consumers who, between November 2, 2015, and October 23, 2019, paid the defendants (or their representatives) for debt-relief services.

The Fund Administrator exercised discretion and deferred allocations to classes of consumers in one Period 16 matter, Chou Team Realty, et al., and two prior period matters, Think Finance, LLC, and Northern Resolution Group (Gray). In the Chou Team Realty, et al. case the Bureau is pursuing claims against related defendants, the results of which may affect the amount of uncompensated harm related to victims in this matter. In the Think Finance case, there are related actions which may result in compensation to eligible victims in this matter. In the Northern Resolution Group (Gray) case, the victim allocation is deferred while the Bureau pursues data and determines victim eligibility in a related matter. Each of these cases will be reviewed as part of the Period 17 allocation.

As of the time of this allocation, aside from the Think Finance and Northern Resolution Group (Gray) cases which have been addressed above, there were no prior period victim classes with uncompensated harm that is compensable from the Civil Penalty Fund.

During Period 16, \$0 was allocated for Consumer Education and Financial Literacy purposes.

The total allocation for Period 16 was \$109,387,406.

Period 16 Allocation Summary:

Case Name	Allocation Amount
Main Street Personal Finance, Inc.	\$1,540,517
Certified Forensic Loan Auditors, LLC; et al.	\$3,000,000

GST Factoring, Inc., et al.	\$11,718,432
Premier Student Loan Center, et al.	\$89,366,096
Total	\$109,387,406

After the Period 16 allocation, the available balance in the Civil Penalty Fund was \$454 million. The amount in the Fund as of March 31, 2021 will be available for allocation following the conclusion of Period 17 in accordance with 12 C.F.R. § 1075.105(c).
