WHEREAS, Association and Commerce desire to make available to the Associations community (membership, employees, friends, trustees, officers and staff), (hereinafter referred to collectively as "Members"), a Visa credit card and other financial services upon the terms and conditions hereinafter set forth; and

WHEREAS, Association and Commerce desire that the marketing plans for the Visa credit card using Association's Licensed Trademarks to be developed by the parties as hereinafter set forth will accomplish the respective goals of the parties;

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is agreed by the parties hereto as follows:

ARTICLE 1. Services

1.1 Commerce shall open revolving credit accounts ("Member Accounts") and issue Visa Rewards Credit Cards ("Rewards Card") to individual Members of Association whose applications have been solicited under the terms of this Agreement and whose credit has been approved by Commerce and to whom a credit card has been issued (individually, an "Accountholder" and collectively "Accountholders"). The Rewards Card shall be issued in accordance with the specifications generally described in Attachment "A" and as developed during the Initial Term and any Renewal Term of this Agreement. It is understood and agreed that Commerce will not solicit, nor is it under any obligation to accept or approve, individuals who reside outside of the United States of America or in states within the United States of America which have, or may have during the Initial Term or any Renewal Term of this Agreement, laws limiting, hindering or detrimentally affecting the solicitation of credit card accounts or the terms and conditions thereof or limitations on the provision of other financial services, all as determined by Commerce in its sole discretion.

1.2 The Rewards Card shall be customized to include, as provided in this Agreement, Association's Licensed Trademarks for cards marketed to Association Members as the parties may jointly agree in writing to utilize them on said cards from time-to-time.

1.3 Commerce agrees that all uses of Association's Licensed Trademarks on the Rewards Card will bear proprietary trademark rights notices of Association as Association may reasonably direct.

1.4 Association understands and agrees that the terms and conditions of any credit relationship between the Accountholders and Commerce will be governed by a Cardholder Agreement.

1.5 Association understands and agrees that Commerce may from time-to-time during the Initial Term or any Renewal Term of this Agreement use third-party service providers to undertake, fulfill or complete its obligations pursuant to this Agreement. It is further understood and agreed that any such third-party service providers must agree to protect the Confidential Information and Confidential Customer Information entrusted to it, either by separate confidentiality agreement or as a part of a service contract.

ARTICLE 2. Acknowledgments, Representations and Agreements

2.1 Association expressly acknowledge ownership of the mark "Visa" by Visa, Inc. and agrees that they will do nothing inconsistent with Visa's ownership of such mark.

2.2 Association represents that it has the authority to utilize the Licensed Trademarks as hereafter described in Article 7 and that it presently has the exclusive authority to authorize the use of each of such Licensed Trademarks for the uses and purposes contemplated by this Agreement; further, Association represents that Commerce may regard this representation as a continuing representation by Association of its exclusive authority to authorize the use of each Licensed Trademark throughout the Initial Term and any Renewal Term of this Agreement, including Licensed Trademarks developed or created by Association during the Initial Term or any Renewal Term of this Agreement. Association agrees to provide, if requested, written evidence, satisfactory to Commerce, of the authority to authorize the use of such trademarks as Association intends to use in conjunction with the Rewards Card and of any trademark rights notices required when such trademarks are used.

2.3 Association represent that the use of any of the Licensed Trademarks by Commerce as authorized herein by the Association will not infringe upon or violate the patent, copyright or any other proprietary interest of any third party.

2.4 Association represent that disclosure by Association to Commerce of confidential or non-confidential information in its files pertaining to Association Members will not violate any law, regulation, restriction or contractual prohibition against disclosure by Association of such information. Association further acknowledges and agrees that it is authorized to disclose and make available to Commerce such member information, including but not limited to, names, addresses, e-mail addresses, etc. for the uses and purposes contemplated herein.

2.5 Association agrees that Commerce is, by the terms of this Agreement, authorized and permitted the non-exclusive use of approved, specified Association Licensed Trademarks in order to provide the Rewards Card and any Enhancements thereto and for no other purposes except as provided in Section 5.4. Commerce agrees that it will obtain prior written approval, which approval will not be unreasonably withheld, conditioned or delayed, from Association for the specific use of each respective Association Licensed Trademarks on the Rewards Card and any Enhancements. Association shall have the right to inspect the quality of goods and services provided under its mark and the right to inspect samples of how the trademark is used to assure that the quality of goods and services provided under that Association Licensed Trademarks is in accordance with the usage previously approved by Association pursuant to this paragraph, and in accordance with Association industry quality standards. Commerce agrees to cooperate with Association in facilitating Associations control of the nature and quality of goods and services provided under the Association Licensed Trademarks.

2.6 Commerce and Association each warrant and represent that as of the date hereof and during the Initial Term or any Renewal Term of this Agreement:

a. it has and shall have the rights and power to enter into and perform all its obligations under this Agreement;

b. its proposed activities hereunder do not and shall not infringe any laws, regulations or other applicable codes of practice or procedural or regulatory requirements or the rights of any third party; and

c. it holds and shall hold any and all necessary licenses required under and has otherwise complied and shall comply in all material respects with the requirements of all applicable statutes, laws and regulations applicable to the arrangements contemplated by this Agreement.

2.7 Commerce acknowledges that it shall be solely responsible for ensuring the truth and accuracy of all statements, warranties and representations of any kind about or relating to Commerce or its associates, or their business, products or services, made or included, expressly or impliedly, by Commerce or with its prior written consent, whether in any advertising, solicitation, promotional or publicity materials or editorials, or otherwise.

2.8 Association acknowledges and agrees that certain federal and state consumer protection laws and regulations prohibit, restrict or limit the solicitation or issuance of consumer credit cards to students, underage persons and others (collectively, the "Protected Consumers") as described in those laws and implementing regulations. Association further acknowledges and agrees that no Protected Consumers are, or are intended to be, included in the group identified herein as Members who may be identified or solicited to apply for a consumer credit card under this Agreement. Association agrees it will not knowingly provide to Commerce the names of any such Protected Consumers under this Agreement and Association agrees it will not, in any way, solicit or promote the Rewards Card to any such Protected Consumers; however, such solicitation and promotion is not intended to include general promotional, informational or advertising materials directed at or available to Association Members as a whole. As such, Association acknowledges and agrees that it will at all times comply with the provisions of the Truth-in-Lending Act (15 U.S.C.A. §1601 et seq.), the Credit Card Accountability and Disclosure Act of 2009 (Pub L. No. 111-24, 123 Stat. 1734 (2009)), the Fair Credit Reporting Act (15 U.S.C.A. 1681 et seq.), and the regulations adopted thereunder, as such acts or regulations may now exist or as may hereafter be amended, including such provisions for interpretation and enforcement of such acts and regulations by the Bureau of Consumer Financial Protection ("CFPB") or by any state agency enforcing state laws or regulations for the protection of consumers.

2.9 Association acknowledges that it shall be solely responsible for ensuring the truth and accuracy of all statements, warranties and representations of any kind about or relating to Association or their associates, or their business, products or services, made or included, expressly or impliedly, by Association or with its prior written consent, whether in any advertising, solicitation, promotional or publicity materials or editorials, or otherwise.

ARTICLE 3. Compensation and Reporting

3.1 Commerce agrees that during the term of this Agreement Association shall earn and be paid Compensation in U.S. Dollars ("USD") in accordance with the rates, terms and provisions contained in Attachment "B".

3.2 Commerce shall provide Association with monthly statements that set forth in sufficient detail such information regarding the Rewards Card that forms the basis for calculating the amount of Compensation earned by Association according to the rates, terms and provisions of Attachment "B". Association understands and acknowledges that Compensation will be calculated based upon dates or time periods when various transactions are reported to Commerce and processed through normal accounting cycles which dates or time periods may be different than the actual date of the particular transaction giving rise to entitlement to payment or fee.

3.3 Commerce shall keep and maintain true, correct, and complete books of account and records regarding the Rewards Card that form the basis for the calculation of Compensation due to Association. Such records for each calendar year during the term of this Agreement shall be kept and maintained for at least twelve (12) months after the end of each such year. Association shall have the right, upon written notice to Commerce, at any reasonable time during regular business hours of Commerce and at Commerce's offices in Kansas City, Missouri, to examine, inspect, and audit all such books and records, and all such other papers and files of Commerce relating to the performance of this Agreement, except as is limited or prohibited by law or regulation.

3.4 No Compensation shall be earned by Association as of and after the effective date of termination of this Agreement; provided, however, Compensation earned prior to such termination shall be payable to Association as provided in Attachment "B".

3.5 Association agrees to review the monthly statements of Compensation earned provided to it by Commerce and to promptly report any errors or irregularities regarding the calculation, reporting or payment of Compensation and, in no event, later than one (1) year after the date of such statement. Failure to report any irregularities within one (1) year from the date of the monthly statement is a presumption that such statement is correct. Association understands and acknowledges that Commerce loses the ability to completely reconstruct transactions after twelve (12) months from the date of the transaction, including an inability to retrieve supporting documentation and that such inability to reconstruct transactions may impede an audit should Association elect to perform such an audit from time-to-time. Association agrees that the inability of Commerce to reconstruct transactions or to retrieve supporting documentation after twelve (12) months from the date any transaction shall not, in and of itself, be a basis upon which Association can assert a claim for additional or adjusted Compensation.

Upon reasonable notice, Commerce will allow Association, at its expense, to audit the books and records of Commerce to determine any inaccuracies in the payment of Compensation due Association. A copy of any audit performed by Association will be furnished to Commerce upon its request. If any audit performed by Association, or on Associations behalf, identifies an overpayment by Commerce in Compensation for any period, Association agrees to reimburse Commerce or permit Commerce to reduce the amount of future Compensation payments to recoup the amount of the overpayment or if any audit performed by Association, or on Associations behalf, identifies an underpayment by Commerce in Compensation for any period, Commerce agrees to reimburse Association the amount of the underpayment.

ARTICLE 4. Term of Agreement; Termination Provisions

4.1 The Initial Term of this Agreement shall commence on the Effective Date and continue until June 30, 2026 (the "Initial Term"). At the expiration of the Initial Term of this Agreement, it shall automatically renew for successive one (1) year periods (each a "Renewal Term") unless either party notifies the other in writing at least ninety (90) days prior to the expiration of the Initial Term of this

Agreement or prior to the expiration of any Renewal Term, that it is terminating and canceling this Agreement.

4.2 This Agreement shall supersede and replace all co-branded and/or Affinity Group Bank Card Agreements between the parties, if any, entered into prior to the Effective Date.

4.3 Regardless of the termination of this Agreement, any Rewards Card issued before such termination may continue to be held and used by Accountholders until the stated expiration date of those credit cards.

4.4 In the event of termination of this Agreement, all Member Accounts shall remain the exclusive property of Commerce, including its right to future receivables thereon without any obligation on part of Commerce to pay Royalties thereon. Notwithstanding the termination of this Agreement or the transfer of the Member Accounts, Commerce may thereafter solicit and offer credit card accounts or other financial services to Accountholders.

4.5 Either party may, upon thirty (30) days written notice, terminate this Agreement if: (1) a party fails to comply with or to perform a material term, obligation, covenant or condition contained in this Agreement and fails to remedy or cure such material term, obligation, covenant or condition within thirty (30) calendar days following written notice to such party stating, with particularity and in reasonable detail, the nature of the claimed breach; or (2) a material adverse change occurs in a party's financial condition; or (3) commencement of proceedings, whether voluntary or involuntary, is begun for the dissolution or termination of a party's existence as a going business, the insolvency of a party, the appointment of a receiver for any part of a party's property, the assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against a party; or (4) commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, selfhelp, repossession or any other method, is begun by any creditor of a party or by any governmental agency against any of a party's property.

ARTICLE 5. Accountholder Terms and Benefits

5.1 (a) Commerce agrees to provide certain features and enhancements to Association Accountholders which shall include the minimum Visa standards for product enhancements associated with the Visa product category (collectively, the "Enhancements") and shall be available **only** for such period of time as the related services are available to Commerce and its cardholders from third party processors and providers. Without limiting the generality of the foregoing, Enhancements are subject to cancellation or change by Commerce at any time, with or without prior notice. Commerce reserves the right to add, delete, modify or withdraw Enhancements or change the specific features of any such Enhancements from time-to-time during the Initial Term and any Renewal Term of this Agreement. It is understood and agreed that from time-to-time one or more of the Enhancements offered by Commerce to the Accountholders are provided by third parties unrelated to Commerce and that such Enhancements, including the availability and cost thereof to Commerce, may change from time-to-time and any such Enhancements may be added, deleted, modified or withdrawn in the sole discretion of Commerce.

(b) In addition to the Enhancements, Association Accountholders will participate in the Commerce rewards program generally available to individuals under affinity cards issued by Commerce.

5.2 Commerce may add, delete, modify or withdraw specific Enhancements to the Member Accounts during the Initial Term or any Renewal Term of this Agreement or during the term of any

Accountholder Agreement with an Accountholder after providing written notification to affected Accountholders and Association as may be required by law or regulation.

5.3 Commerce agrees to have available for Accountholders a non-exclusive toll-free telephone number for use by any Accountholder to report and resolve a service complaint, lost or stolen credit cards or to make inquiry calls regarding a credit card account.

5.4 Commerce and its affiliates are authorized and permitted from time-to-time to offer to Accountholders other Commerce financial services and products. In any such offers, no reference to the Rewards Card will be made without the prior written approval of the Association and subject to the provisions of Article 9, below.

ARTICLE 6. Marketing Efforts

6.1 Commerce will, at its cost, during the Initial Term of this Agreement, develop solicitation materials designed for the purpose of encouraging the acquisition and usage of the Rewards Card by potential Accountholders of Association. The materials will be designed and developed for a variety of presentation and marketing methods, i.e., brochures, print ads, web-site postings, direct mail, e-mail, etc. The exact choice of materials, presentation and marketing methods will be made by Commerce, subject to the approval by Association for use with its solicitations, which approval shall not be unreasonably withheld or delayed.

For Association, Commerce will, at its cost, conduct up to four (4) pre-screened direct mail and two (2) pre-screen e-mail solicitations per year during the first two (2) years of the Initial Term, with the first pre-screened solicitations to be completed within twelve (12) months after the Launch Date (as hereafter defined). Commerce may, in its sole discretion, develop additional pre-screened solicitations during the Initial Term and any Renewal Terms.

If additional pre-screened solicitations are agreed to by Commerce and Association, subject to the provisions of Article 9, below, Association agrees to provide to Commerce, at no cost to Commerce, one or more electronic media files in a form and content useable by Commerce or by a third-party provider designated and approved by Commerce, for use on their computer systems, or a listing in such other form as Commerce agrees, identifying Association's Members for solicitation purposes. Such electronic media file list will be provided in the format specified in the Attachment "C." Commerce will request a refreshed mailing list prior to each mailing to ensure restrictions and updates, received by the Association, are made before mailing.

6.2 Association agrees to cooperate with Commerce to actively market the Rewards Card through commercially viable means including, at Association's expense and throughout the Initial Term and any Renewal Term, but not limited to: (1) up to four e-mail and/or e-blast messages (five e-mail and/or e-blast messages after 2022), to include the Association's electronic newsletter on an annual basis to Association Members to solicit potential Accountholders and make them aware of the Association Rewards Card and its benefits; (2) the placement of internet advertisements on the official Association public internet website, through the permanent placement of a web banner, as well as a password protected "members only" page to the extent that the Association maintains such a page. The web banners will include a link to a "Learn More" page hosted by Association that will outline the benefits of the Association Rewards Card and direct applicants to an Association Rewards Card application internet web page located at Commerce or with its service provider throughout the Initial Term and any Renewal Term; (3) encouraging Accountholders to utilize the Association Rewards Card once issued; (4) distribution of Association Rewards Card solicitation

and promotional materials to potential Accountholders through social media and web advertising (to include one of the following social media platforms - Facebook, Twitter, LinkedIn and mobile app) on a quarterly basis each year throughout the Initial Term and any Renewal Term; and (5) Association will promote the Rewards Card through the "Alumni Magazine" on an annual basis through 2022. Association agrees that it will obtain prior written approval from Commerce for the use of all marketing materials, including the form and content of such marketing materials as well as the proposed media to be utilized, relating to the promotion of the Rewards Card (including the use of Commerce's name, logo, trademarks, etc.) developed by or for Association in any marketing effort whether or not such marketing is contemplated by or undertaken pursuant to this Agreement.

6.3 Association agrees to work internally and/or with strategic partners to develop and offer unique and exclusive benefits to its Members in order to differentiate the Rewards Card from other credit cards (collectively, the "Exclusive Benefits"). Exclusive Benefits to be offered may include, but are not limited to: a new Accountholders activation incentive (e.g. merchandise, gift cards, a free one year membership or rewards points to be credited to Member's Member Account as an exclusive benefit where such rewards points would be purchased, from time-to-time, by Association from Commerce with the terms of each such purchase to be agreed upon in writing by the parties and the purchase price deducted from Royalties and New Account Fees due to Association) as agreed to by the parties throughout the Initial Term and any Renewal Term of this Agreement; Association agrees to fulfill the activation incentive with a monthly list of new Active Accountholders that Commerce will provide Association. The parties agree that implementation and administration of each of the Exclusive Benefits must be agreed to in writing and in advance by Commerce and the Association. Association agrees that all Exclusive Benefits, other than the process for awarding rewards points, will be provided directly to Members by delivery of those benefits to a Member by Association. Commerce and Association agree that Exclusive Benefits that may be developed and offered in the future as Rewards Card Exclusive Benefits will add value to the card program by generating new Member participation and provide an increase in Rewards Card usage. Any change in the Exclusive Benefits is subject to the approval by Commerce, which approval shall not be unreasonably withheld or delayed.

6.4 Where appropriate, Association shall provide, at its expense, subject to prior approval by Commerce, artwork for card design, statements, applications and other collateral materials specifically associated with the sales, support, marketing and servicing of the Rewards Card for its Members.

6.5 Commerce shall be responsible for all expenses associated with Commerce's Enhancements, except for those expenses for which Association shall be responsible as set forth in this Agreement or for any instance of special actions requested by Association, such as special mailings, additional postage, special printouts or other similar actions, which are not part of Commerce's Routine Operations and not provided for herein (collectively, "Special Actions"). "Routine Operations" is defined herein as those activities performed in the usual conduct of acquiring, issuing, servicing, billing, funding and collecting credit card loans. Association shall reimburse Commerce for the direct costs of any such Special Actions requested by Association and, if requested by Commerce, Association shall deposit an amount reasonably requested by Commerce, in advance, to cover such anticipated direct costs.

ARTICLE 7. Association Licensed Trademarks

7.1 Association's "Licensed Trademarks" means Trademarks (if any) consisting of designs, images, visual representations, logos depicting the name or likeness of Association provided to Commerce by Association for licensing in the United States of America in relation to credit card and financial services programs. Commerce acknowledges that all such art is proprietary to Association, may only be used for Commerce's authorized activities under this Agreement, and Commerce agrees that such art shall not be delivered to or made available for use by any third party, unless such third party is required to assist Commerce in the fulfilling of its obligations under this Agreement.

7.3 Upon termination of this Agreement, Commerce shall cease to use the Association Licensed Trademarks. Commerce agrees that upon such termination it will not claim any right, title, or interest in or to the Association's Licensed Trademarks. Upon termination of this Agreement, Commerce shall not attempt to cause the removal of the Association's identification or Licensed Trademarks from any person's credit devices or records of any customer existing as of the effective date of termination of this Agreement. Commerce agrees that it will not seek or obtain any trademark or other protection or take any other action, which might affect the Association's ownership of any of the rights in the Licensed Trademarks. Commerce understands and agrees that its use of the Licensed Trademarks shall inure to the Association's exclusive benefit and that Commerce will not acquire any rights by virtue of any use Commerce may make of the Licensed Trademarks, other than as specifically set out in this Agreement.

REWARDS CARD

1. Qualified Members of Association will be issued a Rewards Card with one or more Association Licensed Trademarks included on the face of the cards, as approved by Visa, Inc., as appropriate.
2. Subject to the terms of the Cardholder Agreement, Commerce shall make available a card with an interest rate to be determined at time of credit underwriting based on statistically valid determinants of credit risk derived during the credit underwriting process. The precise terms and conditions of the Cardholder Agreement will be consistent with rates and terms offered on other Commerce co-branded and affinity credit card products.
3. All credit decisions, including but not limited to the initial approval of accounts, the establishment of credit lines and the closing of accounts, shall be within the exclusive discretion of Commerce.
4. As the grantor of credit, Commerce assumes all credit risks and reserves the right to modify pricing set forth in paragraph 2, above, consistent with its underwriting criteria, prevailing economic and market forces, and the laws and regulations which apply.
5. The Cardholder Agreement, which governs the terms of credit extension and which is provided to Accountholders at the time of issuance of an Rewards Card will reflect the terms provided herein; except nothing contained herein shall preclude Commerce from including in such Cardholder Agreement its standard contractual terms including, without limitation, those terms relating to liability, default, cancellation, governing law, calculation of finance charge, payment application, surrender and other terms as appropriate.

ATTACHMENT "B"
COMPENSATION

Commerce shall pay Association combined Compensation calculated as follows:

1. Royalty fees:

a. For the period commencing on the Effective Date and continuing to the first annual anniversary of the Effective Date, a royalty fee ("Royalty") will be paid which is equivalent to the product of 13.5% of Commerce's most recently calculated net interchange rate for the Rewards Card multiplied by the total of Net Merchandise Purchases generated each month by the use of open, non-Statused Member Accounts (as of the Effective Date, equivalent to twenty-five cents (\$.25) per one hundred dollars (\$100.00) of Net Merchandise Purchases);

b. For the period commencing on the first annual anniversary of the Effective Date and on each subsequent annual anniversary of the Effective Date thereafter, a Royalty will be paid based upon the percentage set forth in the table below corresponding to the Annual Net Merchandise Purchases on Member Accounts for the preceding twelve (12) months (which percentage will be fixed until the next annual anniversary of the Effective Date) multiplied by the total of Net Merchandise Purchases generated each month by the use of open, non-Statused Member Accounts:

Annual Net Merchandise Purchases			Percentage of net interchange
\$0	-	\$14,999,999	13.5%
\$15,000,000	-	\$29,999,999	16.2%
\$30,000,000	-	\$49,999,999	18.9%
\$50,000,000	+		21.6%

The net interchange rate is an internal rate calculated by Commerce for each rewards card program based upon net interchange income for each rewards card program as related to all accountholder total purchase volume for each rewards card program, with such rate generally re-calculated each January 1 and July 1. Merchandise returns, credits and amounts in dispute are deducted from Accountholder total purchase volume to reach "Net Merchandise Purchases." "Merchandise Purchases" refers to transactions for goods or services, and excludes cash advances and quasi-cash transactions, such as, but not limited to, traveler's checks, convenience checks, wire transfers, money orders, balance transfers and gaming chips or fees or premiums for coverage or insurance to protect the balances of an Accountholder's account. As used in this Agreement, a "Statused" account is one that is lost, stolen, credit-revoked, closed, bankrupt, charged-off, over-limit and/or delinquent.

2. Commerce shall pay Association for each new Member Account opened and Active (an "Active" account is one that is newly opened and activated, that is, a Member Account on which a Member initiated debit transaction, i.e., a purchase, balance transfer, cash advance or convenience check occurs within ninety (90) days of account opening), compensation ("New Account Fee") of fifty

dollars (\$50.00) for each Active Member Account.

- a. Commerce and Association may jointly agree upon account marketing channels from time-to-time during the Initial Term or any Renewal Term of this Agreement, including, but not limited to, promotional advertising that does not contain a written application, or other marketing messages.
 - b. Marketing channels and strategies generating fees to Association for accounts produced through such channels and strategies may be discontinued by Commerce, in its sole discretion, if the average application approval rate produced by that strategy or channel for any three (3) consecutive months is less than fifteen percent (15%) per month. The approval rate is the number of all applications which are approved for a Member Account, using Commerce's normal credit approval processes, divided by the total number of applications received through the respective channel or strategy.
 - c. No New Account Fee will be due Association for newly activated Member Accounts acquired by Commerce pre-screened direct mail efforts nor through Commerce branch advertisements/solicitations or through telephone solicitation or other marketing efforts initiated by Commerce.
 - d. Commerce may also decline to provide compensation to Association for a Member Account booked from any channel if the Accountholder has previously been issued a Rewards Card as described in this Agreement or in cases of actual or suspected abuse, fraud, violations of any Commerce program or any actual or suspected abuse or fraud with respect to the credit card account.
3. Within forty-five (45) days of each month end, Commerce will provide a month end report for the preceding month showing the detail of monthly sales volume and the number of new activated Member Accounts upon which Royalties and New Account Fees are calculated.
