Information for small businesses

RIGHT TO REGULATORY ENFORCEMENT FAIRNESS

The Consumer Financial Protection Bureau (CFPB) is committed to fair regulatory enforcement. If you are a small business under Small Business Administration standards, you have a right to contact the Small Business Administration’s National Ombudsman (SBA/ONO) at 1-888-REGFAIR (1-888-734-3247) or via email at ombudsman@sba.gov regarding the fairness of the compliance and enforcement activities of the agency. Contacting the Ombudsman will not affect the CFPB’s authority to investigate, enforce, or otherwise seek compliance as part of its ongoing responsibility to enforce Federal laws.

NON-RETALIATION

As part of its commitment to fair regulatory enforcement, the CFPB reminds small businesses that they can exercise their right to raise concerns about compliance or enforcement activities without fear of retaliation.

If you have any questions or concerns about your rights, contact the SBA/ONO at 1-888-REGFAIR (1-888-734-3247) or mailto:ombudsman@sba.gov.

Compliance Resources

The CFPB provides different forms of guidance and compliance resources to help you understand and comply with our rules and the statutes we implement.
